Under this ZAR 3,000,000,000 Domestic Medium Term Note Programme (the "**Programme**") Toyota Financial Services (South Africa) (Proprietary) Limited (the "**Issuer**"), may from time to time issue notes (the "**Notes**"), which expression shall include Senior Notes and Subordinated Notes (each as defined below) denominated in any currency agreed by the Issuer and the relevant Dealer(s) (as defined below) and further subject to all applicable laws and, in the case of Notes listed on the Bond Exchange of South Africa or its successor ("**BESA**"), or such other or further exchange(s) as may be determined by the Issuer and the relevant authority, the rules of BESA or such other or further exchange(s), that are subject to the terms and conditions (the "**Terms and Conditions**") contained in this Programme Memorandum. Any other terms and conditions not contained in the Terms and Conditions that are applicable to any Notes, replacing or modifying the Terms and Conditions, will be set forth in a pricing supplement (the "**Applicable Pricing Supplement**").

All sums payable by the Issuer in respect of the Notes are unconditionally and irrevocably guaranteed by Toyota Motor Finance (Netherlands) B.V. ("**TMF**"). The Issuer may determine that particular Registered Notes will not be listed on BESA or any other exchange and Bearer Notes and Order Notes will not be listed on such exchange(s), and in that case, no Applicable Pricing Supplement will be delivered to BESA or such other or further exchange(s). The trading and/or settlement of the unlisted Notes will not be guaranteed by the Bond Exchange Guarantee Fund.

save that any statement contained in this Programme Memorandum or in any of the documents incorporated by reference in and forming part of this Programme Memorandum shall be deemed to be modified or superseded for the purpose of this Programme Memorandum to the extent that a statement contained in any document subsequently incorporated by reference modifies or supersedes such earlier statement (whether expressly, by implication or otherwise).

The Issuer has undertaken, in connection with the listing of Registered Notes on BESA or on such other exchange or further exchange or exchanges as may be selected by the Issuer, that so long as any Registered Note remains outstanding and listed on such exchange, in the event of an adverse change in the condition (financial or otherwise) of the Issuer or any change in the information set out under the Terms and Conditions of the Notes that is material in the context of issuance under the Programme, the Issuer will prepare or procure the preparation of an amendment or supplement to the Programme Memorandum or, as the case may be, publish a new Programme Memorandum.

General Description of the Programme

Under the Programme, the Issuer may from time to time issue Notes denominated in the currency specified in the Applicable Pricing Supplement. The applicable terms of any Notes will be set out in the Terms and Conditions incorporated by reference into the Notes, as modified and supplemented by the Applicable Pricing Supplement relating to the Notes and any supplementary Programme Memorandum.

This Programme Memorandum and any supplement will only be valid for issuing Notes in an aggregate Nominal Amount which, when added to the aggregate Nominal Amount then outstanding of all Notes previously or simultaneously issued under the Programme, does not exceed ZAR 3,000,000,000 or its equivalent in other currencies. For the purpose of calculating the South African Rand equivalent of the aggregate amount of Notes issued under the Programme from time to time:

- (a) the South African Rand equivalent of Notes denominated in another Specified Currency (as defined in the Terms and Conditions) shall be determined as of the date of agreement to issue such Notes (the “**Agreement Date**”) on the basis of the spot rate for the sale of the South African Rand against the purchase of such Specified Currency in the South African foreign exchange market quoted by any leading bank selected by the Issuer on the Agreement Date;
- (b) the South African Rand equivalent of Dual Currency Notes and Index-Linked Notes (each as defined in the Terms and Conditions) shall be calculated in the manner specified in (a) above by reference to the original nominal amount of such Notes;
- (c) the South African Rand equivalent of Zero Coupon Notes (as defined in the Terms and Conditions) and other Notes issued at a discount or premium shall be calculated in the manner specified in (a) above by reference to the net subscription proceeds received by the Issuer for the relevant issue; and
- (d) the South African Rand equivalent of Partly-Paid Notes (as defined in the Terms and Conditions) shall be calculated in the manner specified in (a) above by reference to the nominal amount regardless of the amount paid up on such Notes.

A summary of the Programme and the Terms and Conditions appears below.

This Programme Memorandum will only apply to Notes issued under the Programme.

Status of Senior Notes:	The Senior Notes constitute direct, unconditional, unsubordinated and unsecured obligations of the Issuer ranking <i>pari passu</i> amongst themselves and (save for certain obligations required to be preferred by law) at least <i>pari passu</i> with all other unsecured and unsubordinated obligations of the Issuer.
Status and Characteristics relating to Subordinated Notes:	<p>The Subordinated Notes constitute direct, unsecured and subordinated obligations of the Issuer and will rank <i>pari passu</i> among themselves and will rank at least <i>pari passu</i> with all other present and future unsecured and subordinated obligations of the Issuer, save for those that have been accorded by law preferential rights.</p> <p>Subject to applicable law, in the event of the dissolution of the Issuer or if the Issuer is placed into liquidation or wound up then and in any such event the claims of the persons entitled to be paid amounts due in respect of the Subordinated Notes shall be subordinated to all other claims in respect of any other indebtedness of the Issuer except for other Subordinated Indebtedness (as defined below), to the extent that, in any such event, and provided as aforesaid, no amount shall be eligible for setting-off or shall be payable to any or all the persons entitled to be paid amounts due in respect of the Subordinated Notes in respect of the obligations of the Issuer thereunder until all other indebtedness of the Issuer which is admissible in any such dissolution, liquidation or winding-up (other than Subordinated Indebtedness) has been paid or discharged in full. However, there may be no obligation on the Stabilising Manager (or any agent of the Stabilising Manager) to do this. Such stabilising, if commenced, may be discontinued at any time and must be brought to an end after a limited period. Such stabilising shall be in compliance with all applicable laws, regulations and rules.
Taxation:	All payments in respect of the Notes will be made without withholding or deduction for or on account of taxes levied in South Africa, subject to certain exceptions as provided in Condition 12. In the event that withholding tax or such other deduction is required by law, then the Issuer will pay such additional amounts as shall be necessary in order that the net amounts received by the holders of the Notes after such withholding or deduction shall equal the respective amounts of principal and interest which would otherwise have been receivable in respect of the Notes, as the case may be, in the absence of such withholding or deduction.

Form of the Notes

Notes may be issued in registered, bearer or order form, as specified in the Applicable Pricing Supplement.

Registered Notes may be listed on the Bond Exchange of South Africa, a licensed financial exchange in terms of the Securities Services Act, 2004 (“**BESA**”) and/or a successor exchange to BESA or such other or further exchange or exchanges as the Issuer may select in relation to an issue. Each Tranche of Registered Notes listed on BESA will be issued in accordance with the terms and conditions set out below in this Programme Memorandum (the “**Terms and Conditions**”) in the form of a single certificate, without interest coupons (the “**Global Certificate**”), which will be lodged and immobilised in STRATE Limited (Registration number 1998/022242/06), or its nominee, operating in terms of the Securities Services Act, 2004 (or any successor Act thereto) (the “**Central Depository**”), which forms part of the settlement system of BESA. This will entail that the Registered Notes, represented by the Global Certificate, will be deposited with and registered in the name of, and for the account of the Central Depository.

In the event that the Notes are dematerialised, no Certificates shall be issued in respect thereof.

All Notes not represented by a Global Certificate, including Registered Notes which are unlisted, Bearer Notes and Order Notes (each defined below) shall be issued in definitive form (“**Individual Certificate**”). Notes represented by Individual Certificates may only be transferred in accordance with the provisions of Condition 15.

Listed Registered Notes

Beneficial interests in listed Registered Notes which are lodged in the form of the Global Certificate in the Central Depository (“**Beneficial Interests**”) may, in terms of existing law and practice, be transferred through the Central Depository by way of book entry in the securities accounts of the participants in the Central Depository (“**Participants**”), who are also approved by BESA to act as Settlement Agents and therefore perform electronic settlement of both funds and scrip on behalf of market participants. A certificate or other document issued by a Participant as to the nominal amount of such Beneficial Interest in listed Registered Notes standing to the account of any person shall be *prima facie* proof of such Beneficial Interest.

Beneficial Interests in listed Registered Notes may be exchanged, without charge by the Issuer, for Individual Certificates in accordance with the provisions of Condition 13 of the Terms and Conditions. The listed Registered Notes represented by the Global Certificate and Individual Certificates will be registered in the names of the Noteholders in the register of Noteholders maintained by or on behalf of the Issuer (the “**Register**”). The Issuer shall regard the Register as the conclusive record of title to the listed Registered Notes. The Central Depository shall be recognised by the Issuer as the owner of the listed Registered Notes represented by the Global Certificate and the registered holders of Individual Certificates shall be recognised by the Issuer as the owners of the listed Registered Notes represented by such Individual Certificates.

In the event that the listed Registered Notes are dematerialised, the person whose name is reflected in the sub-register maintained by the relevant Participant as a Noteholder shall be treated by the Issuer as the Noteholder of such nominal amount of listed Registered Notes (in which regard any certificate or other document issued by a Participant, as to the nominal amount of such Beneficial Interest in listed Registered Notes standing to the account of any person shall be *prima facie* proof of such Beneficial Interest) for all purposes, other than with respect to the payment of principal or interest on the listed Registered Notes.

Bearer and Order Notes

Notes issued in bearer form (“**Bearer Notes**”) or in order form (“**Order Notes**”) and which are interest bearing shall, if indicated in the Applicable Pricing Supplement, have interest coupons (“**Coupons**”) and, if indicated in the Applicable Pricing Supplement, talons for further Coupons (“**Talons**”) attached on issue. Notes repayable in instalments shall have receipts (“**Receipts**”) for the payment of the instalments of principal (other than the final instalment) attached on issue.

Title to Bearer Notes and/or Receipts, Coupons and Talons attached on issue to the Individual Certificate in respect of such Bearer Notes will pass by delivery of such Certificate, Receipt, Coupon or Talon (as the case may be). Title to Order Notes and/or any Receipts, Coupons and Talons attached on issue to the Individual Certificate in respect of such Order Note, will pass by way of endorsement and delivery of such Certificate, Receipt, Coupon or Talon (as the case may be).

4.1.3 For so long as any of the Notes are represented by a Global Certificate registered in the name of, and held by the Central Depository, each holder of a Beneficial Interest (in which regard any certificate or other document issued by a Participant, as to the nominal amount of such Beneficial Interest in Notes standing to the account of any person shall be *prima facie* proof of such Beneficial Interest), shall be treated by the Issuer as the Noteholder of such nominal amount of such Notes (represented by such Beneficial Interest) for all purposes, other than with respect to the payment of principal or interest on the Notes. The Issuer and the Transfer Secretary may deem and treat the person who from the face of the Certificate, Receipt or Coupon relating to an Order Note appears to be the Payee thereto as the absolute owner thereof (whether or not overdue and notwithstanding any notice of ownership or notice of any previous loss or theft thereof) for all purposes and payment to such person or their Representative shall discharge the Issuer from all liability to the Payee in relation to such Certificate, Receipt or Coupon, as the case may be, even if such Endorsement has been forged or made without authority. The Guarantee appears in the Programme Memorandum under the section entitled “*Guarantee by Toyota Motor Finance (Netherlands) B.V.*”

8. INTEREST

8.1 Interest on Fixed Rate Notes

Each Fixed Rate Note bears interest on its outstanding Nominal Amount (or, if it is a Partly-Paid Note, the amount paid up) from (and including) the Interest Commencement Date specified in the Applicable Pricing Supplement at the rate(s) per annum equal to the Fixed Rate of Interest so specified payable in arrear on the Fixed Interest Payment Dates in each year up to and including the Maturity Date.

The first payment of interest will be made on the Fixed Interest Payment Date next following the Interest Commencement Date.

Except as provided in the Applicable Pricing Supplement, the amount of interest payable per Note on each Fixed Interest Payment Date in respect of the Fixed Interest Period ending on (but excluding) such date will amount to the Fixed Coupon Amount, provided that:

- 8.1.1 if an Initial Broken Amount is specified in the Applicable Pricing Supplement, then the first Interest Amount shall equal the Initial Broken Amount specified in the Applicable Pricing Supplement; and
- 8.1.2 if a Final Broken Amount is specified in the Applicable Pricing Supplement, then the final Interest Amount shall equal the Final Broken Amount.

If interest is required to be calculated for a period other than a Fixed Interest Period, such interest shall be calculated by applying the Fixed Rate of Interest to each Specified Denomination, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest Sub-unit of the relevant Specified Currency, half such Sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

“**Day Count Fraction**” means, in respect of the calculation of an amount of interest for any Fixed Interest Period:

- (a) if “**Actual/Actual (ISMA)**” is specified in the Applicable Pricing Supplement:
- (A) in the case of Notes where the number of days in the relevant period from (and including) the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to (but excluding) the relevant payment date (the “**Accrual Period**”) is equal to or shorter than the Determination Period during which the Accrual Period ends, the number of days in such Accrual Period divided by the product of: (1) the number of days in such Determination Period and (2) the number of Determination Dates (as specified in the Applicable Pricing Supplement) that would occur in one calendar year; or
- (B) in the case of Notes where the Accrual Period is longer than the Determination Period during which the Accrual Period ends, the sum of:
- (1) the number of days in such Accrual Period falling in the Determination Period in which the Accrual Period begins divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates (as specified in the Applicable Pricing Supplement) that would occur in one calendar year; and
- (2) the number of days in such Accrual Period falling in the next Determination Period divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates that would occur in one calendar year; and

- (b) if “**30/360**” is specified in the Applicable Pricing Supplement, the number of days in the period from (and including) the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to (but excluding) the relevant payment date (such number of days being calculated on the basis of a year of 360 days with 12 30-day months) divided by 360.

8.2 Interest on Floating Rate Notes and Indexed Interest Notes

Interest Payment Dates

Each Floating Rate Note and Indexed Interest Note bears interest on its outstanding Nominal Amount (or, if it is a Partly-Paid Note, the amount paid up) from (and including) the Interest Commencement Date specified in the Applicable Pricing Supplement and such interest will be payable in arrear on the Interest Payment Date(s) in each year specified in the Applicable Pricing Supplement. Such interest will be payable in respect of each Interest Period (which expression shall, in these Terms and Conditions, mean the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date).

Rate of Interest

The Rate of Interest payable from time to time in respect of the Floating Rate Notes and Indexed Interest Notes will be determined in the manner specified in the Applicable Pricing Supplement.

Minimum and/or Maximum Rate of Interest

If the Applicable Pricing Supplement specifies a Minimum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of any such Interest Period determined in accordance with the above provisions is less than such Minimum Rate of Interest, the Rate of Interest for such Interest Period shall be such Minimum Rate of Interest. If the Applicable Pricing Supplement specifies a Maximum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of any such Interest Period determined in accordance with the above provisions is greater than such Maximum Rate of Interest, the Rate of Interest for such Interest Period shall be such Maximum Rate of Interest.

Determination of Rate of Interest and Calculation of Interest Amount

The Calculation Agent, in the case of Floating Rate Notes and Indexed Interest Notes will, on or as soon as practicable after each time at which the Rate of Interest is to be determined, determine the Rate of Interest and calculate the Interest Amount payable in respect of each Floating Rate Note and Indexed Interest Note in respect of each Specified Denomination for the relevant Interest Period, and the Calculation Agent shall notify the Issuer of the Rate of Interest for the relevant Interest Period as soon as practicable after calculating the same. Each Interest Amount shall be calculated by applying the Rate of Interest to the Specified Denomination, multiplying such sum by the applicable Day Count Fraction and rounding the resultant figure to the nearest Sub-unit of the relevant Specified Currency, half a Sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

“**Day Count Fraction**” means, in respect of the calculation of an amount of interest for any Interest Period:

- (a) if “**1/1**” is specified, 1;
- (b) if “**Actual/365**”, “**Act/365**”, “**Actual/Actual**” or “**Act/Act**” is specified in the Applicable Pricing Supplement, the actual number of days in the Interest Period in respect of which payment is being made divided by 365 (or, if any portion of that Interest Period falls in a leap year, the sum of: (i) the actual number of days in that portion of the Interest Period falling in a leap year divided by 366 and (ii) the actual number of days in that portion of the Interest Period falling in a non-leap year divided by 365); or
- (c) if “**Actual/365 (Fixed)**”, “**Act/365 (Fixed)**”, “**A/365 (Fixed)**” or “**A/365F**” is specified in the Applicable Pricing Supplement, the actual number of days in the Interest Period in respect of which payment is being made divided by 365; or
- (d) if “**Actual/365 Sterling**” is specified in the Applicable Pricing Supplement, the actual number of days in the Interest Period divided by 365, in the case of an Interest Payment Date falling in a leap year, 366; or
- (e) if “**Actual/360**”, “**Act/360**” or “**A/360**” is specified in the Applicable Pricing Supplement, the actual number of days in the Interest Period in respect of which payment is being made divided by 360; or

- (f) if “**30/360**”, “**360/360**” or “**Bond Basis**” is specified in the Applicable Pricing Supplement, the number of days in the Interest Period in respect of which payment is being made divided by 360 (the number of days to be calculated on the basis of a year of 360 days with 12 30-day months (unless: (i) the last day of the Interest Period is the 31st day of a month but the first day of the Interest Period is a day other than the 30th or 31st day of a month, in which case the month that includes that last day shall not be considered to be shortened to a 30-day month or (ii) that last day of the Interest Period is the last day of the month of February, in which case the month of February shall not be considered to be lengthened to a 30-day month)); or
- (g) if “**30E/360**” or “**Eurobond Basis**” is specified in the Applicable Pricing Supplement, the number of days in the Interest Period in respect of which payment is being made divided by 360 (the number of days to be calculated on the basis of a year of 360 days with 12 30-day months, without regard to the date of the first day or last day of the Interest Period unless, in the case of the final Interest Period, the Interest Payment Date is the last day of the month of February, in which case the month of February shall not be considered to be lengthened to a 30-day month); or
- (h) such other calculation method as is specified in the Applicable Pricing Supplement.

Interest Determination, Screen Rate Determination including Fallback Provisions

Where ISDA Determination is specified in the Applicable Pricing Supplement as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will be the relevant ISDA Rate plus or minus (as indicated in the Applicable Pricing Supplement) the Margin (if any). For the purposes of this sub-paragraph, “**ISDA Rate**” for an Interest Period means a rate equal to the Floating Rate that would be determined by such agent as is specified in the Applicable Pricing Supplement under an interest rate swap transaction if that agent were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the most recent ISDA Definitions and under which:

- (a) the Floating Rate Option is as specified in the Applicable Pricing Supplement;
- (b) the Designated Maturity is the period specified in the Applicable Pricing Supplement; and
- (c) the relevant Reset Date is either: (i) if the applicable Floating Rate Option is based on ZAR-JIBAR-SAFEX, the first day of that Interest Period; or (ii) in any other case, as specified in the Applicable Pricing Supplement.

For the purposes of the above sub-paragraph “**Floating Rate**”, “**Floating Rate Option**”, “**Designated Maturity**” and “**Reset Date**” have the meanings given to those terms in the ISDA Definitions specified in the Applicable Pricing Supplement.

Where Screen Rate Determination is specified in the Applicable Pricing Supplement as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will, subject as provided below, be either:

- (a) if the Relevant Screen Page is available,
 - (i) the offered quotation (if only one quotation appears on the screen page); or
 - (ii) the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations,

(expressed as a percentage per annum) for the Reference Rate which appears on the Relevant Screen Page as at 11h00 (or as otherwise specified in the Applicable Pricing Supplement) (Johannesburg time) on the Interest Determination Date in question plus or minus (as indicated in the Applicable Pricing Supplement) the Margin (if any), all as determined by the Calculation Agent. If five or more such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Calculation Agent for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations; or
- (b) if the Relevant Screen Page is not available or if, in the case of (i) above, no such offered quotation appears or, in the case of (ii) above, fewer than three such offered quotations appear, in each case as at the time specified in the preceding paragraph, the Calculation Agent shall request the principal Johannesburg office of each of the Reference Banks (as defined below) to provide the Calculation Agent with its offered quotation (expressed as a percentage rate per annum) for the Reference Rate at

approximately 11h00 (Johannesburg time) on the Interest Determination Date in question. If two or more of the Reference Banks provide the Calculation Agent with such offered quotations, the Rate of Interest for such Interest Period shall be the arithmetic mean (rounded if necessary to the fifth decimal place with 0.000005 being rounded upwards) of such offered quotations plus or minus (as appropriate) the Margin (if any), all as determined by the Calculation Agent; or

- (c) if the Rate of Interest cannot be determined by applying the provisions of (a) and (b) above, the Rate of Interest for the relevant Interest Period shall be the rate per annum which the Calculation Agent determines as being the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the rates, as communicated to (and at the request of) the Calculation Agent by the Reference Banks or any two or more of them, at which such banks offered, at approximately 11h00 (Johannesburg time) on the relevant Interest Determination Date, deposits in an amount approximately equal to the nominal amount of the Notes of the relevant Series, for a period equal to that which would have been used for the Reference Rate to prime banks in the Johannesburg inter-bank market plus or minus (as appropriate) the Margin (if any). If fewer than two of the Reference Banks provide the Calculation Agent with such offered rates, the Rate of Interest for the relevant Interest Period will be determined by the Calculation Agent as the arithmetic mean (rounded as provided above) of the rates for deposits in an amount approximately equal to the nominal amount of the Notes of the relevant Series, for a period equal to that which would have been used for the Reference Rate, quoted at approximately 11h00 (Johannesburg time) on the relevant Interest Determination Date, by the Reference Banks plus or minus (as appropriate) the Margin (if any). If the Rate of Interest cannot be determined in accordance with the foregoing provisions of this paragraph, the Rate of Interest shall be determined as at the last preceding Interest Determination Date (though substituting, where a different Margin is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin relating to the relevant Interest Period, in place of the Margin relating to that last preceding Interest Period).

“**Reference Banks**” means four leading banks in the South African inter-bank market selected by the Calculation Agent.

If the Reference Rate from time to time in respect of Floating Rate Notes is specified in the Applicable Pricing Supplement as being other than ZAR-JIBAR-SAFEX, the Rate of Interest in respect of such Notes will be determined as provided in the Applicable Pricing Supplement.

Notification of Rate of Interest and Interest Amount

The Issuer will cause the Rate of Interest and each Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified to BESA and the Central Depository and/or every other relevant exchange or authority as soon as possible after their determination but in any event no later than the fourth Business Day thereafter. Each Interest Amount and Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) in the event of an extension or shortening of the Interest Period. Any such amendment will be promptly notified to BESA, the Central Depository and/or every other relevant exchange or authority and to the Noteholders in accordance with Condition 19.

Certificates to be Final

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this sub-paragraph 8.2, by the Calculation Agent shall (in the absence of wilful deceit, bad faith or manifest error or proven error) be binding on the Issuer and all Noteholders and in the absence as aforesaid no liability to the Issuer or the Noteholders shall attach to the Calculation Agent in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

8.3 Interest on Dual Currency Interest Notes

In the case of Dual Currency Interest Notes, the Rate of Interest or Interest Amount payable shall be determined in the manner specified in the Applicable Pricing Supplement.

8.4 Mixed Rate Notes

The Interest Rate payable from time to time on Mixed Rate Notes shall be the Interest Rate payable on the form of interest bearing Note (be it a Fixed Rate Note, Floating Rate Note, Indexed Note or Dual Currency Note) specified for each respective period, each as specified in the Applicable Pricing Supplement. During

each such applicable period, the Interest Rate on the Mixed Rate Notes shall be determined and fall due for payment on the basis that such Mixed Rate Notes are Fixed Rate Notes, Floating Rate Notes, Indexed Notes or Dual Currency Notes, as the case may be.

8.5 **Accrual of Interest**

Each Note (or in the case of the redemption of part only of a Note, that part only of such Note) will cease to bear interest (if any) from the date of its redemption unless, upon due presentation thereof, payment of principal is improperly withheld or refused. In such event, interest will continue to accrue at the Default Rate specified in the Applicable Pricing Supplement until the date on which all amounts due in respect of such Note have been paid, or, in respect of Notes evidenced by a Global Certificate, the date on which the full amount of the moneys payable has been received by the Central Depository and notice to that effect has been given to Noteholders in accordance with Condition 19.

8.6 **Business Day Convention**

If any Interest Payment Date (or other date) which is specified in the Applicable Pricing Supplement to be subject to adjustment in accordance with a Business Day Convention would otherwise fall on a day which is not a Business Day, then, if the Business Day Convention specified is:

- (a) the “**Floating Rate Business Day Convention**”, such Interest Payment Date (or other date) shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event: (i) such Interest Payment Date (or other date) shall be brought forward to the first preceding Business Day and (ii) each subsequent Interest Payment Date (or other date) shall be the last Business Day in the month which falls the number of months or other period specified as the Interest Period in the Applicable Pricing Supplement after the preceding applicable Interest Payment Date (or other date) has occurred; or
- (b) the “**Following Business Day Convention**”, such Interest Payment Date (or other date) shall be postponed to the next day which is a Business Day; or
- (c) the “**Modified Following Business Day Convention**”, such Interest Payment Date (or other date) shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Interest Payment Date (or other such date) shall be brought forward to the first preceding Business Day; or
- (d) the “**Preceding Business Day Convention**”, such Interest Payment Date (or other date) shall be brought forward to the first preceding Business Day.

9. **PAYMENTS**

9.1 **Registered Notes**

Payments of interest on an Individual Certificate shall be made to the registered holder of such Note, as set forth in the Register on the close of business on the Last Date to Register (as specified in the Applicable Pricing Supplement). In addition to the above, in the case of a final redemption payment, the holder of the Individual Certificate shall be required, on or before the Last Date to Register prior to the Maturity Date, to surrender such Individual Certificate at the offices of the Transfer Secretary.

Each of the persons shown in the records of the Central Depository and the Participants, as the case may be, shall look solely to the Central Depository or the Participant, as the case may be, for his share of each payment so made by the Issuer to the registered holder of such Global Certificate(s).

Payments of the final instalment of principal in respect of Bearer Notes will be made to the Bearer only following presentation and surrender by the Bearer or its Representative of the Certificate in respect of such Bearer Notes. Upon surrender as aforesaid, the Bearer or its Representative shall be required to nominate in writing to the Paying Agent a bank account within the Republic of South Africa (or any Other Banking Jurisdiction specified in the Applicable Pricing Supplement) into which the relevant payment must be made and provide details of its address (being an address within the Republic of South Africa or any Other Banking Jurisdiction specified in the Applicable Pricing Supplement).

Payments of interest in respect of Bearer Notes shall be made in accordance with Condition 9.4 only following surrender of the relevant Coupon to the Paying Agent.

Payments of Instalment Amounts in respect of Instalment Notes which are Bearer Notes shall be made by the Issuer in accordance with Condition 9.4 only following surrender of the relevant Receipt to the Issuer. No payment in respect of the final redemption of a Bearer Note shall be made until the later of:

9.2.1 the Relevant Date; and

9.2.2 the date on which the Certificate in respect of the Note to be redeemed has been surrendered to the Paying Agent.

Upon final redemption as aforesaid, all unmatured Coupons relating to Bearer Notes (whether or not surrendered with the relevant Certificate) shall become void and no payment shall be made thereafter in respect of them.

9.3 **Order Notes**

Payments of interest in respect of Order Notes will be made to the Payee only following presentation and surrender by the Payee or its Representative of the relevant Coupon. Payments of interest in respect of Order Notes shall be made in accordance with Condition 9.4 only following surrender of the relevant Coupon to the Paying Agent.

Payments of Instalment Amounts in respect of Instalment Notes which are Order Notes shall be made by the Issuer in accordance with Condition 9.4 only following surrender of the relevant Receipt to the Issuer. Upon final redemption as aforesaid, all unmatured Coupons relating to Order Notes (whether or not surrendered with the relevant Certificate) shall become void and no payment shall be made thereafter in respect of them.

9.4 **Method of Payment**

Payments will be made by credit or transfer, by means of electronic settlement, to the Noteholder.

If the Issuer is prevented or restricted directly or indirectly from making any payment by electronic funds transfer in accordance with the preceding paragraph (whether by reason of strike, lockout, fire, explosion, floods, riot, war, accident, act of God, embargo, legislation, shortage of or breakdown in facilities, civil commotion, unrest or disturbances, cessation of labour, Government interference or control or any other cause or contingency beyond the control of the Issuer), the Issuer shall make such payment by cheque (or by such number of cheques as may be required in accordance with applicable banking law and practice) to make payment of any such amounts. Such payments by cheque shall be sent by post to:

- 9.4.1 the address of the Noteholder of Registered Notes as set forth in the Register or, in the case of joint Noteholders of Registered Notes, the address set forth in the Register of that one of them who is first named in the Register in respect of that Note;
- 9.4.2 the address nominated by the Bearer or the Payee in respect of Bearer Notes or Order Notes, as the case may be, upon surrender in accordance with Condition 9.2 or 9.3, as the case may be.

Each such cheque shall be made payable to the relevant Noteholder or, in the case of joint Noteholders of Registered Notes, the first one of them named in the Register. Cheques may be posted by ordinary post, provided that neither the Issuer nor the Paying Agent shall be responsible for any loss in transmission and the postal authorities shall be deemed to be the agent of the Noteholders for the purposes of all cheques posted in terms of this Condition 9.4.

In the case of joint Noteholders of Registered Notes payment by electronic funds transfer will be made to the account of the Noteholder first named in the Register. Payment by electronic transfer to the Noteholder first named in the Register shall discharge the Issuer of its relevant payment obligations under the Notes.

Payments will be subject in all cases to any fiscal or other laws, directives and regulations applicable thereto in the place of payment, but without prejudice to the provisions of Condition 12.

9.5 Payment Day

If the date for payment of any amount in respect of any Note is not a Business Day, the holder thereof shall not be entitled to payment until the next following Business Day in the relevant place and shall not be entitled to further interest or other payment in respect of such delay.

9.6 Interpretation of Principal and Interest

Any reference in these Terms and Conditions to principal in respect of the Notes shall be deemed to include, as applicable:

- 9.6.1 any additional amounts which may be payable with respect to principal under Condition 12;
- 9.6.2 the Final Redemption Amount of the Notes or the Early Redemption Amount of the Notes, as the case may be;
- 9.6.3 the Optional Redemption Amount(s) (if any) of the Notes;
- 9.6.4 in relation to Instalment Notes, the Instalment Amounts;
- 9.6.5 in relation to Zero Coupon Notes, the Amortised Face Amount (as defined in Condition 11.5.3); and
- 9.6.6 any premium and any other amounts which may be payable by the Issuer under or in respect of the Notes, but excluding for the avoidance of doubt, interest.

Any reference in these Terms and Conditions to interest in respect of the Notes shall be deemed to include, as applicable, any additional amounts which may be payable with respect to interest under Condition 12.

10. EXCHANGE OF TALONS

On or after the Interest Payment Date on which the final Coupon (comprising the Coupon attached to the relevant Certificate relating to the latest Interest Payment Date in respect of that Series of Coupons) matures, but not later than the date for prescription (in accordance with Condition 16) of the Talons which may be exchanged for the respective Coupons, the Talon (if any) attached to the relevant Certificate upon issue, may be surrendered at the specified office of the Issuer in exchange for further Coupons, including (if such further Coupons do not include Coupons to, and including, the final date for the payment of interest due in respect of the Notes to which they pertain) a further Talon, subject to the provisions of Condition 16. Each Talon shall, for the purposes of these Terms and Conditions, be deemed to mature on the Interest Payment Date on which the final Coupon issued relative to such Talon matures.

11. REDEMPTION AND PURCHASE

11.1 At Maturity

Unless previously redeemed or purchased and cancelled as specified below, each Note will be redeemed by the Issuer in the Specified Currency at its Final Redemption Amount specified in, or determined in the manner specified in, the Applicable Pricing Supplement on the Maturity Date.

11.2 Redemption for Tax Reasons

Notes may be redeemed at the option of the Issuer, at any time (in the case of Notes other than Floating Rate Notes, Indexed Interest Notes, Dual Currency Interest Notes or Mixed Rate Notes having an Interest Rate then determined on a floating or indexed basis) or on any Interest Payment Date (in the case of Floating Rate Notes, Indexed Interest Notes, Dual Currency Interest Notes or Mixed Rate Notes), on giving not less than 30 nor more than 60 days' notice to the Noteholders prior to such redemption, in accordance with Condition 19 (which notice shall be irrevocable), if the Issuer, immediately prior to the giving of such notice, is of the reasonable opinion that:

11.2.1 as a result of any change in, or amendment to, the laws or regulations of the Republic of South Africa or any political sub-division of, or any authority in, or of, the Republic of South Africa having power to tax, or any change or amendment which becomes effective after the relevant Issue Date, the Issuer is or would be required to pay additional amounts as provided or referred to in Condition 12; and

11.2.2 the requirement cannot be avoided by the Issuer taking reasonable measures available to it,

provided that no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which the Issuer would be obliged to pay such additional amounts were a payment in respect of the Notes then due. Notes may be redeemed by the Issuer in accordance with this Condition 11.2 in whole or in part. A redemption in part may be effected by the Issuer:

11.2.3 notwithstanding that such partial redemption may not entirely avoid such obligation to pay additional amounts as provided for or referred to in Condition 12; and

11.2.4 *mutatis mutandis* in the manner described in Condition 11.3, provided that the references to the giving of notice therein and to the Minimum Redemption Amount and the Higher Redemption Amount therein shall be disregarded for such purposes.

Notes redeemed for tax reasons pursuant to this Condition 11.2 will be redeemed at their Early Redemption Amount referred to in Condition 11.5, together (if appropriate) with interest accrued from (and including) the immediately preceding Interest Payment Date to (but excluding) the date of redemption or as specified in the Applicable Pricing Supplement.

11.3 Redemption at the Option of the Issuer

If the Issuer is specified in the Applicable Pricing Supplement as having an option to redeem, the Issuer may, having given not less than 30 nor more than 60 days' irrevocable notice to the Noteholders in accordance with Condition 19, redeem all or some of the Notes (to which such Applicable Pricing Supplement relates) then Outstanding on the Optional Redemption Date(s) and at the Optional Redemption Amount(s) specified in, or determined in the manner specified in, the Applicable Pricing Supplement together, if appropriate, with interest accrued to (but excluding) the Optional Redemption Date(s).

Any such redemption must be of a Nominal Amount equal to the Minimum Redemption Amount or a Higher Redemption Amount, both as indicated in the Applicable Pricing Supplement.

In the case of a partial redemption of Notes, the Notes to be redeemed ("**Redeemed Notes**") will be selected individually by lot, in the case of Redeemed Notes represented by Individual Certificates, and in accordance with the rules of Central Depository, the BESA Settlement Agents and BESA, in the case of Redeemed Notes represented by a Global Certificate, and in each case not more than 60 days prior to the date fixed for redemption (such date of selection being hereinafter called the "**Selection Date**").

In the case of Redeemed Notes represented by Individual Certificates, a list of the serial numbers of such Redeemed Notes (which shall include, in the case of Redeemed Notes which are Bearer Notes or Order Notes, the Receipts and/or Coupons) will be published in accordance with Condition 19 not less than 30 days prior to the date fixed for redemption. The aggregate Nominal Amount of Redeemed Notes represented by Individual Certificates shall bear the same proportion to the aggregate Nominal Amount of all Redeemed Notes as the aggregate Nominal Amount of Individual Certificates outstanding bears to the aggregate Nominal Amount of the Notes outstanding, in each case on the Selection Date, provided that such first mentioned Nominal Amount shall, if necessary, be rounded downwards to the nearest integral multiple of the Specified Denomination and the aggregate Nominal Amount of Redeemed Notes represented by a Global Certificate shall be equal to the balance of the Redeemed Notes. No exchange of the relevant Global Certificate will be permitted during the period from and including the Selection Date to and including the date fixed for redemption pursuant to this sub-paragraph and notice to that effect shall be given by the Issuer to the Noteholders in accordance with Condition 19 at least 10 days prior to the Selection Date.

Holders of Redeemable Notes shall surrender the Individual Certificates, together with Receipts and Coupons, if any, representing the Notes in accordance with the provisions of the notice given to them by the Issuer as contemplated above. Where only a portion of the Notes represented by such Individual Certificates, Receipts and Coupons are redeemed, the Transfer Secretary shall deliver new Individual Certificates, Receipts and Coupons to such Noteholders in respect of the balance of the Notes.

11.4 **Redemption at the Option of the Senior Noteholders**

If holders of Senior Notes are specified in the Applicable Pricing Supplement as having an option to request the redemption of Notes, such holders may exercise such option in respect of such Notes represented by Individual Certificates by delivering to the Transfer Secretary, in accordance with Condition 19, a duly executed notice (“**Put Notice**”), at least 30 days but not more than 60 days, prior to the Optional Redemption Date.

For redemption in part, the redemption amount specified in such Put Notice in respect of any such Note must be of a principal amount equal to or greater than the Minimum Redemption Amount or equal to or less than the Higher Redemption Amount, each as indicated in the Applicable Pricing Supplement.

The redemption of Notes represented by a Global Certificate shall take place in accordance with the Applicable Procedures.

The Issuer shall proceed to redeem the Notes in respect of which such option has been exercised in accordance with the terms of the Applicable Pricing Supplement, at the Optional Redemption Amount and on the Optional Redemption Date, together, if appropriate, with interest accrued to (but excluding) the Optional Redemption Date(s).

In the event that the redeeming Noteholder is the holder of an Individual Certificate, then such Noteholder shall (attached to the Put Notice) deliver the Individual Certificate, together with Receipts and/or Coupons, if any, to the Transfer Secretary for cancellation. A holder of an Individual Certificate shall in that holder’s Put Notice specify a bank account into which the redemption payment amount is to be paid.

The delivery of Put Notices shall be required to take place during normal office hours of the Issuer and Transfer Secretary. Put Notices shall be available from the specified offices of the Transfer Secretary.

Any Put Notice given by a holder of any Senior Note pursuant to this paragraph shall be irrevocable except where after giving the notice but prior to the due date of redemption an Event of Default shall have occurred and be continuing in which event such Noteholder, at its option, may elect by notice to the Issuer to withdraw the notice given pursuant to this paragraph and instead to declare such Senior Note forthwith due and payable pursuant to Condition 17.

The Issuer shall have no liability to remedy any defects in any Put Notice or bring any such defects to the attention of any Noteholder.

11.5 **Early Redemption Amounts**

For the purpose of the Condition 11.2 and Condition 17, the Notes will be redeemed at the Early Redemption Amount calculated as follows:

11.5.1 in the case of Notes other than Zero Coupon Notes, at the amount specified in, or determined in the manner specified in, the Applicable Pricing Supplement or, if no such amount or manner is so specified in the Applicable Pricing Supplement, at their Nominal Amount; or

11.5.2 in the case of Zero Coupon Notes, at an amount (the “**Amortised Face Amount**”) equal to the sum of: (i) the Reference Price; and (ii) the product of the Implied Yield (compounded as specified in the Applicable Pricing Supplement) being applied to the Reference Price from (and including) the Issue Date to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and repayable, or such other amount as is provided in the Applicable Pricing Supplement.

Where such calculation is to be made for a period which is not a whole number of years, it shall be calculated on the basis of actual days elapsed divided by 365 or such other calculation basis as may be specified in the Applicable Pricing Supplement.

11.6 Instalment Notes

Instalment Notes will be redeemed at the Instalment Amounts and on the Instalment Dates. In the case of early redemption in accordance with Conditions 11.2 or 17, the Early Redemption Amount will be determined pursuant to Condition 11.5.

11.7 Partly-Paid Notes

If the Notes are Partly-Paid Notes, they will be redeemed, whether at maturity, early redemption or otherwise, in accordance with the provisions of this Condition 11 and the Applicable Pricing Supplement. In the case of early redemption in accordance with Conditions 11.2 or 17, the Early Redemption Amount will be determined pursuant to Condition 11.5.

11.8 Exchangeable Notes

If the Notes are Exchangeable Notes, they will be redeemed, whether at maturity, early redemption or otherwise in the manner indicated in the Applicable Pricing Supplement. Exchangeable Notes in respect of which Mandatory Exchange is indicated in the Applicable Pricing Supplement as applying, or upon the exercise by the Noteholder of the Noteholder's Exchange Right (if applicable), will be redeemed by the Issuer delivering to each Noteholder so many of the Exchange Securities as are required in accordance with the Exchange Price. The delivery by the Issuer of the Exchange Securities in the manner set out in the Applicable Pricing Supplement shall constitute the in specie redemption in full of such Notes.

11.9 Purchases

The Issuer or any of its subsidiaries may at any time purchase Notes (including all unmatured Coupons and Receipts) at any price in the open market or otherwise. Such Notes may, subject to applicable law, be held, resold, or, at the option of the Issuer surrendered to the Transfer Secretary for cancellation.

11.10 Cancellation

All Notes which have been redeemed will forthwith be cancelled (together with all unmatured Receipts and Coupons attached thereto or surrendered therewith at the time of redemption). All Notes so cancelled shall be forwarded to the Issuer and cannot be re-issued or resold. Where only a portion of Notes represented by a Certificate are cancelled, the Transfer Secretary shall deliver a Certificate to such Noteholder in respect of the balance of the Notes. If any Note is purchased and cancelled without all unmatured Coupons appertaining thereto, the Issuer shall make payment in respect of any such missing Coupon in accordance with Condition 9 as if the relevant Note had remained outstanding for the period to which such Coupon relates.

11.11 Late Payment on Zero Coupon Notes

If the amount payable in respect of any Zero Coupon Note upon redemption of such Zero Coupon Note pursuant to Condition 11 or upon its becoming due and repayable as provided in Condition 17 is improperly withheld or refused, the amount due and repayable in respect of such Zero Coupon Note shall be the amount calculated as provided in Condition 11.5.3 as though the references therein to the date fixed for the redemption or the date upon which such Zero Coupon Note becomes due and payable were replaced by references to the date which is the earlier of: (i) the date on which all amounts due in respect of such Zero Coupon Note have been paid and (ii) 5 days after the date on which the full amount of the moneys payable has been received by the Central Depository, and notice to that effect has been given to the Noteholder in accordance with Condition 19.

12. TAXATION

All payments of principal and interest in respect of the Notes by the Issuer will be made without withholding or deduction for or on account of any present or future taxes or duties, assessments or governmental charges of whatever nature imposed or levied by or on behalf of the Republic of South Africa or any political subdivision or any authority thereof or therein having power to tax, unless such withholding or deduction is required by law.

In such event, the Issuer will pay such additional amounts as shall be necessary in order that the net amounts received by the holders of the Notes after such withholding or deduction shall equal the respective amounts of principal and interest which would otherwise have been receivable in respect of the Notes, as the case may be, in the absence of such withholding or deduction except that no such additional amounts shall be payable with respect to any Note:

- 12.1 held by or on behalf of a Noteholder, who is liable for such taxes or duties in respect of such Note by reason of his having some connection with the Republic of South Africa other than the mere holding of such Note or the receipt of principal or interest in respect thereof; or
- 12.2 held by or on behalf of a Noteholder who would not be liable or subject to the withholding or deduction by making a declaration of non-residency or other similar claim for exemption to the relevant tax authority (the effect of which is not to require the disclosure of the identity of the relevant Noteholder); or
- 12.3 where such withholding or deduction is in respect of taxes levied or imposed on interest or principal payments only by virtue of the inclusion of such payments in the taxable income (as defined in section 1 of the Income Tax Act, 1962) or taxable capital gain (as defined in paragraph 1 of Schedule 8 to the Income Tax Act, 1962) of any Noteholder; or
- 12.4 more than 30 days after the Relevant Date except to the extent that the Noteholder thereof would have been entitled to an additional amount on presenting the same for payment on such thirtieth day; or
- 12.5 if such withholding or deduction arises through the exercise by revenue authorities of special powers in respect of tax defaulters.

Any reference in these Terms and Conditions to any amounts in respect of the Notes shall be deemed also to refer to any additional amounts which may be payable under these Terms and Conditions or under any undertakings given in addition to, or in substitution for, these Terms and Conditions.

13. CERTIFICATES

- 13.1 Listed Registered Notes will initially be evidenced by a single Global Certificate which will be lodged with the Central Depository. The Central Depository will be reflected in the Register as the holder of the Global Certificate.
- 13.2 A Beneficial Interest in a listed Registered Note evidenced by a Global Certificate will be exchangeable for an Individual Certificate if (i) a written request for Registered Notes in definitive form is submitted by the holder of the Beneficial Interest to the relevant Participant not later than 10 days, or, in the event that the Books Closed Period is less than 10 days, such number of days, prior to the requested date of such exchange, (ii) the Applicable Procedures for obtaining such a Certificate from the Transfer Secretary are followed, and (iii) an equivalent number of Registered Notes are transferred in accordance with the provisions of Condition 15 from the Central Depository to the holder of such Beneficial Interest. If only part of the Registered Notes represented by a Global Certificate are exchanged, a new Global Certificate for the balance will be issued and the cancelled Global Certificate will be retained by the Transfer Secretary.
- 13.3 A Noteholder shall be entitled to receive a Certificate evidencing the Registered Notes transferred to that Noteholder within 7 days after registration of that transfer in accordance with Condition 15 (and which will apply *mutatis mutandis* to such Certificate), provided that joint Noteholders will be entitled to receive only one Certificate in respect of that joint holding, and the delivery to one of those Noteholders shall be delivery to all of them.
- 13.4 A Noteholder shall be entitled to receive a Certificate in respect of a Registered Note which is not listed, or an Order Note or a Bearer Note within 7 days of becoming entitled thereto, provided that joint Noteholders will be entitled to receive only one Certificate in respect of that joint holding, and the delivery to one of those Noteholders shall be delivery to all of them.
- 13.5 If a Certificate, Receipt or Coupon is worn out or defaced then, within 14 days of its presentation to the Transfer Secretary, the Transfer Secretary shall cancel that Certificate, Receipt or Coupon and issue a new Certificate, Receipt or Coupon in its place.
- 13.6 If a Certificate, Receipt or Coupon is lost or destroyed then upon proof thereof to the satisfaction of the Transfer Secretary, a new Certificate, Receipt or Coupon in lieu thereof may be issued to the person entitled to that lost or destroyed Certificate, Receipt or Coupon, provided that the Noteholder shall provide the Transfer Secretary and the Issuer with an indemnity and pay any out-of-pocket expenses incurred in connection with the indemnity. The person providing the indemnity and the form of the indemnity shall be to the satisfaction of the Issuer. The new Certificate, Receipt or Coupon shall be issued within 14 days from the date that the conditions for issuing such Certificate Receipt or Coupon have been fulfilled.
- 13.7 An entry as to the issue of a new Certificate, Receipt or Coupon and indemnity (if any) shall be made in the Register (in respect of Registered Notes) upon the date of issue of the new Certificate, Receipt or Coupon.

- 13.8 Certificates, Receipts and Coupons to be provided by the Issuer to Noteholders shall be collected by the Noteholders from the Transfer Secretary.
- 13.9 Certificates, Receipts and Coupons shall be provided where relevant by the Issuer without charge, save as otherwise provided in these Terms and Conditions. Separate costs and expenses relating to the provision of Certificates, Receipts or Coupons and/or the transfer of Notes may be levied by other persons, such as a Settlement Agent, under the Applicable Procedures and such costs and expenses shall not be borne by the Issuer. The costs and expenses of delivery of Certificates otherwise than by ordinary post (if any) and, if the Issuer shall so require, taxes or governmental charges or insurance charges that may be imposed in relation to such mode of delivery shall be borne by the Noteholder.

14. REGISTER

14.1 The Register of Noteholders:

- 14.1.1 shall be kept at the office of the Transfer Secretary or such other person as may be appointed for the time being by the Issuer to maintain the Register;
- 14.1.2 shall contain the names, addresses and bank account numbers of the registered Noteholders;

- 14.3 Except as provided for in these Terms and Conditions or as required by law, in respect of Registered Notes, the Issuer will only recognise a Noteholder as the owner of the Notes registered in that Noteholder's name as per the Register.
- 14.4 Except as provided for in these Terms and Conditions or as required by law, the Issuer shall not be bound to enter any trust in the Register or to take notice of or to accede to the execution of any trust (express, implied or constructive) to which any Certificate may be subject.

15. TRANSFER OF NOTES

15.1 Registered Notes

Beneficial Interests in Registered Notes registered in the name of the Central Depository or its nominee may be transferred in accordance with the Applicable Procedures. Such transfers will not be recorded in the Register. In order for any transfer of Registered Notes to be effected through the Register and for the transfer to be recognised by the Issuer, each transfer of a Registered Note:

- 15.1.1 must be in writing and in the usual form or in such other form approved by the Transfer Secretary;
- 15.1.2 must be signed by the relevant Noteholder and the transferee, or any authorised representatives of that registered Noteholder or transferee;
- 15.1.3 shall only be in respect of the Specified Denomination of the Registered Note or integral multiples thereof, and consequently the Issuer will not recognise any fraction of the Specified Denomination;
- 15.1.4 must be delivered to the Transfer Secretary together with the Certificate in question for cancellation (if only part of the Registered Notes represented by a Certificate is transferred, a new Certificate for the balance will be issued to the transferor and the cancelled Certificate will be retained by the Transfer Secretary).

The transferor of any Registered Notes represented by a Certificate will be deemed to remain the owner thereof until the transferee is registered in the Register as the holder thereof.

Before any transfer is registered all relevant transfer taxes (if any) must have been paid and such evidence must be furnished as the Transfer Secretary reasonably requires as to the identity and title of the transferor and the transferee.

No transfer will be registered whilst the Register is closed.

If a transfer is registered then the transfer form and cancelled Certificate will be retained by the Transfer Secretary.

In the event of a partial redemption of Registered Notes under Condition 11.3 or 11.4, the Transfer Secretary shall not be required:

15.1.5 in terms of Condition 11.3, to register the transfer of any Registered Notes during the period beginning on the tenth day before the date of the partial redemption and ending on the date of the partial redemption (both inclusive); or

15.1.6 in terms of Condition 11.4, to register the transfer of any Registered Note, or part of a Registered Note, called for partial redemption.

15.2 **Transfer of Bearer Notes**

Bearer Notes (including rights to Instalment Amounts and/or interest thereon, as applicable) may be transferred by the delivery of the Certificate in respect of such Bearer Note or the relevant Receipt or Coupon relating thereto, as the case may be. Where the last Endorsement on a Certificate in respect of an Order Note or a Receipt or Coupon relating thereto is an Endorsement in Blank, then such Certificate, Receipt or Coupon, as the case may be, shall be treated as being in respect of a Bearer Note.

15.3 **Transfer of Order Notes**

Order Notes (including rights to Instalment Amounts and/or interest thereon, as applicable) may be transferred by the Endorsement of the Certificate in respect of such Order Note or Receipt or Coupon relating thereto, as the case may be, by the old Payee and the delivery of such Certificate, Receipt or Coupon to the new Payee.

15.4 **Prohibition on stripping**

Where so specified in the Applicable Pricing Supplement, Bearer Notes or Order Notes which are issued with Receipts and/or Coupons attached and which are redeemable at the option of the Issuer and/or Noteholders shall be issued subject to the condition that the relevant Notes (including rights to Instalment Amounts and/or interest thereon, as applicable) may only be transferred to a single transferee at a time and accordingly that the various rights in respect of such Notes may not be stripped and transferred to various transferees at different times.

16. **PRESCRIPTION**

The Notes, Receipts and Coupons will become void unless presented for payment of principal within a period of three years after their redemption date, save that claims against the Issuer under any Certificate, Receipt or Coupon constituting a "*bill of exchange or other negotiable instrument*" in accordance with section 11 of the Prescription Act, 1969 will prescribe within a period of six years after their redemption date.

17. **EVENTS OF DEFAULT**

17.1 **Senior Notes**

If any one or more of the following events (each an "**Event of Default**") shall have occurred and be continuing:

17.1.1 default is made for more than 7 Business Days in the payment of interest or principal in respect of any Senior Notes following the service on the Issuer of a written notice requiring that breach to be remedied; or

- 17.1.2 the Issuer fails to perform or observe any of its obligations under any Senior Notes other than those referred to in Condition 17.1.1 and such failure has continued for the period of 30 days following the service on the Issuer of written notice requiring the same to be remedied; or
- 17.1.3 the Issuer fails to obtain any consent, license, approval or authorisation now or hereafter necessary to enable the Issuer to comply with its obligations under the Programme or any such consent, license, approval or authorisation ceases to remain in full force and effect, resulting in the Issuer being unable to perform any of its obligations under the Notes or the Programme, and such failure or cessation continues for more than 10 Business Days after the Issuer becomes aware of such event; or
- 17.1.4 an administrator, curator or judicial manager is appointed or a resolution is passed or an order of a court of a competent jurisdiction is made that the Issuer be wound-up or placed under judicial management, whether provisionally (and not dismissed or withdrawn within 30 days thereof) or finally, or the placing of the Issuer under voluntary liquidation or curatorship, otherwise than for the purposes of or pursuant to and followed by an amalgamation, merger, demerger, consolidation, reconstruction, reorganisation or other similar arrangement in which a continuing corporation effectively assumes all obligations of the Issuer under the Notes or the terms of which were previously approved by Extraordinary Resolution of Noteholders; or
- 17.1.5 any other bonds, debentures, notes or other indebtedness for money borrowed having an aggregate outstanding amount of at least US\$25,000,000 (or its equivalent in any other currency or currencies) (hereinafter collectively called “**Indebtedness**”) of the Issuer become or becomes prematurely repayable following a default which (if it is capable of remedy) shall not have been remedied, or steps are taken to enforce any security therefor, or the Issuer defaults in the repayment of any such Indebtedness at the maturity thereof or at the expiration of any applicable grace period therefor or any guarantee of or indemnity in respect of any Indebtedness of others given by the Issuer shall not be honoured when due and called upon; or
- 17.1.6 an encumbrancer takes possession or a receiver is appointed of the whole or a material part of the assets or undertaking of the Issuer; or

Any third party appointed by the Issuer as Calculation Agent, Transfer Secretary or otherwise shall act solely as the agent of the Issuer and does not assume any obligation towards or relationship of agency or trust for or with any Noteholders. The Issuer is entitled to vary or terminate the appointment of such agents and/or appoint additional or other agents and/or approve any change in the specified office through which any agent acts.

19. NOTICES

Notices to holders of Registered Notes shall be valid if mailed to their registered addresses appearing in the Register. Any such notice shall be deemed to have been given on the seventh day after the day on which it is mailed.

In the event of there being any Individual Certificates (whether evidencing Registered Notes, or in respect of Bearer Notes or Order Notes) in issue, such notices shall be published, not earlier than four days after the date of posting of such notice in terms of this clause (i) in an English language daily newspaper of general circulation in the Republic of South Africa and (ii) for so long as the Registered Notes are listed on BESA or such other Financial Exchange upon which the Registered Notes are listed, a daily newspaper of general circulation in the city in which BESA or such other Financial Exchange is situated, and any such notices shall be deemed to have been given on the date of first publication.

The Issuer may change its registered office upon prior written notice to Noteholders specifying such new registered office.

For so long as any of the Registered Notes are represented by a Global Certificate, notice may be given by any holder of a Beneficial Interest in Registered Notes represented by a Global Certificate to the Issuer via the relevant Settlement Agent in accordance with the Applicable Procedures, in such manner as the Issuer and the relevant Settlement Agent may approve for this purpose.

20. AMENDMENT OF THESE TERMS AND CONDITIONS

- 20.1 These Terms and Conditions set out all the rights and obligations relating to the Notes and, subject to the further provisions of this Condition 20, no addition, variation or consensual cancellation of these Terms and Conditions shall be of any force or effect unless reduced to writing and signed by or on behalf of the Issuer and the Noteholders.
- 20.2 No modification of these Terms and Conditions may be effected without the written agreement of the Issuer. The Issuer may effect, without the consent of the relevant Group of Noteholders any modification of the Terms and Conditions which is of a formal, minor or technical nature or is made to correct a manifest error or to comply with mandatory provisions of the law of the jurisdiction in which the Issuer is incorporated, provided that the consent of BESA shall be required where such Registered Notes are listed. Any such modification shall be binding on the relevant Group of Noteholders and any such modification shall be notified to the relevant Group of Noteholders in accordance with Condition 19 as soon as practicable thereafter.
- 20.3 The Issuer may, with the prior sanction of an Extraordinary Resolution of Noteholders or with the prior written consent of Noteholders holding not less than 66 $\frac{2}{3}$ % (sixty six and two-thirds per cent.) in Nominal Amount of the Notes outstanding from time to time, amend these Terms and Conditions, provided that no such amendment shall be of any force or effect unless notice of the intention to make such amendment shall have been given to all Noteholders in terms of Condition 19.

21. MEETINGS OF NOTEHOLDERS

- 21.1 The Issuer may at any time convene a meeting of all Noteholders or holders of any Series of Notes upon at least 21 days' prior written notice to such Noteholders. This notice is required to be given in terms of Condition 19. Such notice shall specify the date, place and time of the meeting to be held, which place shall be in the Republic of South Africa.
- 21.2 Every director or duly appointed representative of the Issuer may attend and speak at a meeting of Noteholders, but shall not be entitled to vote, other than as a proxy or representative of a Noteholder.
- 21.3 Noteholders holding not less than 10% (ten per cent) in Nominal Amount of the outstanding Notes shall be able to request the Issuer to convene a meeting of Noteholders. Should the Issuer fail to requisition such a meeting within 10 days of such a request being received by the Issuer, the Noteholders requesting such a meeting may convene such meeting.
- 21.4 A Noteholder may by an instrument in writing (a "**form of proxy**") signed by the holder or, in the case of a corporation, executed under its common seal or signed on its behalf by an attorney or a duly authorised officer of the corporation, appoint any person (a "**proxy**") to act on his or its behalf in connection with any meeting or proposed meeting of the Noteholders.
- 21.5 Any Noteholder which is a corporation may by resolution of its directors or other governing body authorise any person to act as its representative (a "**representative**") in connection with any meeting or proposed meeting of the Noteholders.
- 21.6 Any proxy or representative appointed shall, so long as the appointment remains in force, be deemed for all purposes in connection with any meeting or proposed meeting of the Noteholder specified in the appointment, to be the holder of the Notes to which the appointment relates and the holder of the Notes shall be deemed for such purposes not to be the holder.
- 21.7 The chairman of the meeting shall be appointed by the Issuer. The procedures to be followed at the meeting shall be as determined by the chairman subject to the remaining provisions of this Condition 21. Should the Noteholder requisition a meeting, and the Issuer fail to call such a meeting within 10 days of the requisition, then the chairman of the meeting held at the instance of the Noteholders shall be selected by a majority of Noteholders present in person, by representative or by proxy.
- 21.8 At any such meeting one or more Noteholders present in person, by representative or by proxy, holding in aggregate not less than one-third of the Nominal Amount of Notes for the time being outstanding shall form a quorum for the transaction of business. On a poll, each Noteholder present in person or by proxy at the meeting shall have the number of votes equal to the number of Notes, by denomination, held by the Noteholder.

2. GUARANTEE AND INDEMNITY

- 2.1 The Guarantor hereby unconditionally and irrevocably guarantees to each Noteholder the due and punctual payment of all sums from time to time payable by the Guaranteed Issuer in respect of such Note, for so long as such Notes are outstanding, as and when the same become due and payable, and accordingly undertakes to pay to such Noteholder forthwith upon demand of such Noteholder and in the manner and currency prescribed by such Note for payments by the Guaranteed Issuer in respect of the Notes any and every sum or sums which the Guaranteed Issuer is at any time liable to pay in respect of such Note and which the Guaranteed Issuer has failed to pay; provided that the Guaranteed Issuer shall have discharged its obligations to pay holders of Beneficial Interests at such time as all amounts payable have been placed at the disposal of the Central Depository or its nominee.
- 2.2 The Guarantor undertakes to each Noteholder that, if any sum referred to in Clause 2.1 is not recoverable from the Guaranteed Issuer thereunder for any reason whatsoever (including, without limitation, by reason of any Note or any provision thereof being or becoming void, unenforceable or otherwise invalid under any applicable law), then, (notwithstanding that the same may have been known to such Noteholder) the Guarantor will, as a sole, original and independent obligor, forthwith upon demand by such Noteholder, pay such sum by way of a full indemnity in the manner and currency as is provided for in the Notes and indemnify each Noteholder against all losses, claims, costs, charges and expenses to which it may be subject or which it may incur under or in respect of the Notes or this Guarantee. This indemnity constitutes a separate and independent obligation from the other obligations under this Guarantee and shall give rise to a separate and independent cause of action.
- 2.3 This Guarantee is a guarantee for the benefit of each Noteholder from time to time. Upon transfer of any Note, Receipt or Coupon to a third party, a Noteholder thereof shall no longer have any rights hereunder with respect to such Note, Receipt or Coupon. The rights under this Guarantee with respect to a Note, Receipt or Coupon are not separately transferable from such Note, Receipt or Coupon. It is specifically intended by the parties hereto that the rights under this Guarantee with respect to any Note, Receipt or Coupon shall be transferred by operation of law under Article 6:251 of the Dutch Civil Code (“DCC”) to a subsequent Noteholder of that Note, Receipt or Coupon.

3. TAXES AND WITHHOLDINGS

All payments in respect of the Notes under this Guarantee shall be made free and clear of, and without withholding or deduction for, any taxes, duties, assessments or governmental charges of whatsoever nature imposed, levied, collected, withheld or assessed by The Netherlands and/or the Republic of South Africa or any political subdivision or any authority thereof or therein having power to tax (“Taxes”). If the Guarantor or any agent thereof is required

by law or regulation to make any withholding or deduction for or on account of Taxes, the Guarantor shall, to the extent permitted by applicable law or regulation, pay such additional amounts as will result in the receipt by the Noteholders of such amounts as would have been received by them if no such withholding or deduction had been required, except that no such additional amounts shall be payable to a Noteholder:

3.1 who:

3.1.1 would be able to avoid such withholding or deduction by making a declaration of non-residence or other similar claim for exemption to the relevant tax authority (but fails to do so); or

3.1.2 is liable to such by reason of its having some connection with The Netherlands or the Republic of South Africa other than the mere holding of and payment in respect of the relevant Note; or

3.2 more than 15 days after the Relevant Date except to the extent that such Noteholder would then have been entitled to such additional amounts on presenting the same for payment on such fifteenth day.

4. PRESERVATION OF RIGHTS

4.1 The obligations of the Guarantor hereunder shall be deemed to be undertaken as principal obligor and not merely as surety.

4.2 The obligations of the Guarantor hereunder shall be continuing obligations notwithstanding any settlement of account or other matter or thing whatsoever and, in particular but without limitation, shall not be considered satisfied by any intermediate payment or satisfaction of all or any of the Guaranteed Issuer's obligations under or in respect of any Note and shall continue in full force and effect until all sums due from the Guaranteed Issuer in respect of each Note have been paid, and all other obligations of the Guaranteed Issuer thereunder or in respect thereof have been satisfied in full.

4.3 Neither the obligations expressed to be assumed by the Guarantor herein nor the rights, powers and remedies conferred upon the Noteholders by this Guarantee or by law shall be discharged, impaired or otherwise affected by:

4.3.1 the winding-up, liquidation or dissolution of the Guaranteed Issuer or analogous proceeding in any jurisdiction or any change in the Guaranteed Issuer's status, function, control or ownership; or

4.3.2 any of the obligations of the Guaranteed Issuer under any of the Notes being or becoming illegal, invalid or unenforceable; or

4.3.3 time or other indulgence being granted or agreed to be granted to the Guaranteed Issuer in respect of its obligations under or in respect of the Notes; or

4.3.4 any amendment to, or any variation, waiver or release of, any obligation of the Guaranteed Issuer under any of the Notes or any security or other guarantee or indemnity in respect thereof; or

4.3.5 any other act, event or omission which, but for this sub-clause, might operate to discharge, impair or otherwise affect the obligations expressed to be assumed by the Guarantor herein or any of the rights, powers or remedies conferred upon the Noteholders or any of them by the Guarantee or by law.

4.4 Any settlement or discharge between the Guarantor and the Noteholders or any of them shall be conditional upon no payment to the Noteholders or any of them by the Guaranteed Issuer or any other person on the Guaranteed Issuer's behalf being avoided or reduced by virtue of any provisions or enactments relating to bankruptcy, insolvency or liquidation for the time being in force and, in the event of any such payment being so avoided or reduced, the Noteholders shall each be entitled to recover the amount by which such payment is so avoided or reduced from such Guarantor subsequently as if such settlement or discharge had not occurred.

4.5 No Noteholder shall be obliged before exercising any of the rights, powers or remedies conferred upon it by this Guarantee or by law:

4.5.1 to make any demand of the Guaranteed Issuer, other than the presentation of the relevant Note; or

4.5.2 to take any action or obtain judgment in any court against the Guaranteed Issuer; or

4.5.3 to make or file any claim or proof in a winding-up or dissolution of the Guaranteed Issuer,

and, save as aforesaid, the Guarantor hereby expressly waives presentment, demand, protest, and notice of dishonour in respect of each Note.

4.6 The Guarantor agrees that, so long as any sums are or may be owed by the Guaranteed Issuer in respect of the Notes or the Guaranteed Issuer is under any actual or contingent obligation thereunder, the Guarantor shall not exercise any right which the Guarantor may at any time have by reason of performance by the Guarantor of its obligations hereunder:

4.6.1 to be indemnified by the Guaranteed Issuer; and/or

4.6.2 to claim any contribution from any other guarantor of the Guaranteed Issuer's obligations under or in respect of the Notes; and/or

4.6.3 to take the benefit (in whole or in part) of any security enjoyed in connection with the Notes by any Noteholder; and/or

4.6.4 to be subrogated to the rights of any Noteholder against the Guaranteed Issuer in respect of amounts paid by the Guarantor under this Guarantee.

4.7 The Guarantor undertakes that its obligations hereunder will at all times rank at least *pari passu* with all other present and future unsecured and unsubordinated obligations of the Guarantor, save for such obligations as may be preferred by provisions of law that are both mandatory and of general application.

5. DEPOSIT OF GUARANTEE

This Guarantee shall be deposited with and held by the Paying Agent until the date on which all the obligations of the Guaranteed Issuer and the Guarantor under or in respect of the Notes have been discharged in full. The Guarantor hereby acknowledges the right of every Noteholder to the production of this Guarantee.

6. STAMP DUTIES

The Guarantor shall pay all stamp, registration and other taxes and duties (including any interest and penalties thereon or in connection therewith) which may be payable in The Netherlands and/or the Republic of South Africa on or in connection with the execution and performance of this Guarantee, and shall indemnify each Noteholder against any claim, demand, action, liability, damages, costs, loss or expenses (including, without limitation, legal fees and any applicable value added tax) which it may incur as a result or arising out of or in relation to any failure to pay or delay in paying any of the same.

7. BENEFIT OF GUARANTEE

7.1 This Guarantee is given to the Noteholders with the consequence that the Noteholders acquire the right to directly demand from the Guarantor the performance of the obligations assumed in this Guarantee. The Paying Agent does not assume any agency, trustee, fiduciary or any similar obligations on behalf of the Noteholders.

7.2 It is hereby irrevocably agreed and stipulated, for nil consideration ("*om niet*" in the sense of the article referred to), by way of third party stipulation ("*derdenbeding*") in the meaning of Article 6:253 DCC, for the benefit of each Noteholder (whether present or future) that, to the extent that any such Noteholder should not become entitled to the rights under this Guarantee with respect to any Note, Receipt or Coupon (whether by operation of Article 6:251 DCC as referred to in Clause 2.3 hereof or otherwise), such Noteholder shall become a beneficiary of the rights under (and accordingly a party to) this Guarantee as set forth in Article 6:253 DCC upon having become a Noteholder of such Notes, Receipts or Coupons (unless such Noteholder has rejected such stipulation without delay upon having become aware of it).

8. PAYMENTS

8.1 All payments under this Guarantee shall be made *mutatis mutandis* in accordance with Condition 9 of the Terms and Conditions.

- 8.2 Payment to the Paying Agent of any sum demanded by a Noteholder under this Guarantee shall:
- 8.2.1 be made by the Guarantor to the Paying Agent not later than 5 (five) Business Days after receipt of a demand in accordance with the provisions of Clause 2;

 - 8.2.3 *pro tanto* discharge the Guaranteed Issuer of its corresponding obligations to Noteholders under the Notes.

Annual General Meeting

An annual general meeting is held within nine months after expiration of the financial year and no more than 15 months shall elapse between the date of one annual general meeting and that of the next meeting.

Financial Statements

The Issuer is required in terms of the Companies Act, 1973 to prepare Annual Financial Statements for each financial year. The Issuer's Annual Financial Statements are prepared in conformity with South African Generally Accepted Accounting Practice (SA GAAP). The financial information for March 31, 2005 is set out in the audited Financial Statements of TFSSA for the year ended March 31, 2005. With effect from April 1, 2005, the Issuer has made a change to its accounting policies to prepare its financial statements in accordance with International Financial Reporting Standards ("IFRS"). This includes international accounting standard (IAS39). The preparation of financial statements under IFRS instead of South African Generally Accepted Accounting Principles may introduce volatility in the financial results of the Issuer due to the recognition and measurement of changes to the fair value of certain financial instruments.

Auditors

The auditors of the Issuer are Deloitte & Touche, Deloitte & Touche Place, The Woodlands, 20 Woodlands Drive, Woodmead, Sandton, 2196. The auditors have examined the Issuer's Financial Statements for the year ended March 31, 2005, which are incorporated by reference, and have issued an unqualified audit opinion.

Financial Year

The financial year-end of the Issuer is end of March of each year.

Risk Management

Factors that may affect the Issuer's ability to fulfil its obligations under Notes issued under the Programme

The Issuer may be exposed to certain risks and uncertainties that could have a material adverse impact to the Issuer's financial condition and operating results:

Credit Risk

Credit risk is the risk of loss arising from a failure of a customer or dealer to meet the terms of any contract with the Issuer or otherwise fail to perform as agreed.

Liquidity Risk

Liquidity risk is the risk arising from the inability to meet obligations when they are due. The Issuer's liquidity strategy is to maintain the capacity to fund assets and repay liabilities in a timely and cost-effective manner under adverse market conditions.

Market Risk

Market risk is the risk that changes in market interest rates or prices will negatively affect the Issuer's income and capital. Policies governing market risk exposure are established and periodically reviewed by the Issuer's senior management as conditions warrant. The Issuer uses derivative instruments, along with other tools and strategies, to manage its market risk. The Issuer has established procedures to ensure that its risk management, including its use of derivatives, is in accordance with its policy framework.

Operational Risk

Operational risk is the risk of loss resulting from, among other factors, inadequate or failed processes, systems or internal controls, theft, fraud, or natural disaster. Operational risk can occur in many forms including, but not limited to, errors, business interruptions, failures of control, inappropriate behaviour of or misconduct by the Issuer's employees or those contracted to perform services for the Issuer, and vendors that do not perform in accordance with their contractual agreements. These events can potentially result in financial losses or other damages to the Issuer, including damage to the Issuer's reputation.

The Issuer relies on internal and external information and technological systems to manage its operations and is exposed to risk of loss resulting from breaches in the security, or other failures of these systems.

In order to monitor and manage operational risk, the Issuer maintains a framework of internal controls designed to provide a sound and well-controlled operational environment. The Issuer strives to maintain appropriate levels of operational risk relative to its business strategies, competitive and regulatory environment, and markets in which it operates. Notwithstanding these control measures, the Issuer remains exposed to operational risk. However, while the Issuer's approach to operational risk management is intended to mitigate such losses, management can provide no assurance that these problems will not have a material effect on the Issuer's operations.

In the case of TMF, the operations for TMF are supplied by a service provider (Toyota Financial Services (UK) plc, "TFSUK"). TFSUK has in place a Disaster Recovery Plan which includes the treasury services supplied to TMF. The plan provides that no significant disruption is expected to the treasury services supplied to TMF in the event of an incident which, without such a plan in place, could interrupt the operations of TMF.

Regulatory Risk

Regulatory risk is the risk arising from the failure to comply with applicable regulatory requirements and the risk of liability and other costs imposed under various laws and regulations, including changes in legislation and new regulatory requirements.

Counterparty Credit Risk

Counterparty credit risk is the risk that a counterparty may fail to perform on its contractual obligations in a derivatives contract.

Residual Value Risk

Residual value risk is the risk that the estimated residual value at lease origination will not be recoverable at the end of the lease term. When the market value of a leased vehicle at contract maturity is less than its contractual residual value, there is a higher probability that the vehicle will be returned to the Issuer. A higher rate of vehicle returns exposes the Issuer to greater risk of loss at the end of the lease term.

Credit Support

TMF's credit ratings depend, in part, on the existence of the credit support arrangements between TMF and TFS and TFS and the Parent discussed in "*Relationship of TMF with TFS and the Parent*". The credit support arrangements may be amended, provided that such amendment does not have any adverse effects upon any holder of any Notes outstanding at the time of such amendment, and does not require the acceptance of the rating agencies. Without the benefit of the credit support arrangements, TMF would expect that its credit ratings would be substantially less than its current credit ratings. A lower credit rating leads to significantly constrained access, or no access, to the domestic or international capital markets, substantially higher borrowing costs and potentially an inability to raise the volume of funding necessary for it to operate its business. However, TMF believes that its current credit support arrangements will continue to be available.

General

TMF is a wholly-owned subsidiary of TFS and TFS is a wholly-owned subsidiary of the Parent.

Credit Support Agreements

TMF (the “**Company**”) has entered into a credit support agreement in English with TFS dated as of August 7, 2000, which has been supplemented by a supplementary credit support agreement dated as of August 7, 2000 (together, the “**Credit Support Agreement**”). TFS has entered into a basic credit support agreement in Japanese with the Parent dated as of July 14, 2000, which has been supplemented by a supplementary credit support agreement dated as of July 14, 2000 (together, the “**Basic Agreement**”). The following are extracted from the Credit Support Agreement and the Basic Agreement, copies or, in the case of the Basic Agreement, an English translation of which are available for inspection as stated in “**General Information**” below.

Note: The addresses of TFS and TMF hereinafter are those as of the date of this Programme Memorandum. In the original credit support agreements, they are those as of the date when the respective agreements were entered into.

Credit Support Agreement:

This Credit Support Agreement (the “**Agreement**”) is made as of August 7, 2000 by and between:

- (1) **TOYOTA FINANCIAL SERVICES CORPORATION**, a Japanese corporation having its principal office at Mitsui Sumitomo Bank Nagoya Building, 18 – 19, Nishiki 2-chome, Naka-ku, Nagoya City, Aichi Prefecture, Japan (“**TFS**”); and
- (2) **TOYOTA MOTOR FINANCE (NETHERLANDS) B.V.**, a Dutch corporation having its principal office at Atrium, Strawinskylaan 3105, 1077 ZX Amsterdam, The Netherlands (“**TMF(NL)**”).

WHEREBY it is agreed as follows:

1. TFS will, directly or indirectly, own all of the outstanding shares of the capital stock of TMF(NL) and will not, directly or indirectly, pledge or in any way encumber or otherwise dispose of any such shares of stock so long as TMF(NL) has any outstanding bonds, debentures, notes and other investment securities and commercial paper (hereafter “**Securities**”), unless required to dispose of any or all such shares of stock pursuant to a court decree or order of any governmental authority which, in the opinion of counsel to TFS, may not be successfully challenged.

2. TFS will cause TMF(NL) and TMF(NL)'s subsidiaries, if any, to have a consolidated tangible net worth, as determined in accordance with generally accepted accounting principles in The Netherlands and as shown on TMF(NL)'s most recent audited annual consolidated balance sheet, of at least EUR100,000 so long as Securities are outstanding. Tangible net worth means the aggregate amount of issued capital, capital surplus and retained earnings less any intangible assets.
3. If TMF(NL) at any time determines that it will run short of cash or other liquid assets to meet its payment obligations on any Securities then or subsequently to mature and that it shall have no unused commitments available under its credit facilities with lenders other than TFS, then TMF(NL) will promptly notify TFS of the shortfall and TFS will make available to TMF(NL), before the due date of such Securities, funds sufficient to enable it to pay such payment obligations in full as they fall due. TMF(NL) will use such funds made available to it by TFS solely for the payment of such payment obligations when they fall due.
4. This Agreement is not, and nothing herein contained and nothing done by TFS pursuant hereto shall be deemed to constitute a guarantee, direct or indirect, by TFS of any Securities.
5. This Agreement may be modified or amended only by the written agreement of TFS and TMF(NL) unless any holder of Securities has made a claim against TFS pursuant to clause 7, in which case any modification or amendment shall be subject to the consent of such a holder. No such modification or amendment shall have any adverse effect upon any holder of any Securities outstanding at the time of such modification or amendment. Either TFS or TMF(NL) will provide written notice to the other, with a copy to each statistical rating agency that, upon the request of TMF(NL) or TFS, has issued a rating in respect of TMF(NL) or any Securities (hereafter a "**Rating Agency**"), 30 days prior to such proposed modification or amendment.
6. Either TFS or TMF(NL) may terminate this Agreement upon 30 days written notice to the other, with a copy to each Rating Agency, subject to the limitation that termination will not take effect until or unless (i) all Securities issued on or prior to the date of such termination notice have been repaid or (ii) each Rating Agency has confirmed to TMF(NL) that the debt ratings of all such Securities will be unaffected by such termination.
7. This Agreement is executed for the benefit of the holders of Securities and such holders may rely on TFS's observance of the provisions of this Agreement.
8. TFS and TMF(NL) hereby agree that the holders of Securities shall have the right to claim directly against TFS to perform any of its obligations under this Agreement. Such claim shall be made in writing with a declaration to the effect that such a holder will have recourse to the rights given under this Agreement. If TFS receives such a claim from any holder of Securities, TFS shall indemnify, without any further action or formality, such a holder against any loss or damage arising out of or as a result of the failure to perform any of its obligations under this Agreement. The holder of Securities who made the claim may enforce such indemnity directly against TFS. In relation to any Securities in respect of which a trustee has been appointed to act for the holders of such Securities, such trustee may make the above mentioned claim in favour of the holders of Securities directly against TFS and, where appropriate, it may enforce the indemnity against TFS in favour of such holders. Provided that, if the trustee, having become bound to proceed directly against TFS, fails to do so within a reasonable period thereafter to protect the interests of the holders of such Securities, and such failure shall be continuing, the holders of such Securities may take actions available under this clause.
9. This Agreement shall be governed by, and construed in accordance with, the laws of Japan. TFS and TMF(NL) hereby irrevocably submit to the jurisdiction of the Tokyo District Court over any action or proceeding arising out of this Agreement.

Supplemental Credit Support Agreement:

This Supplemental Credit Support Agreement (the "Agreement") is made as of August 7, 2000 by and between

- (1) **TOYOTA FINANCIAL SERVICES CORPORATION**, a Japanese corporation having its principal office at Mitsui Sumitomo Bank Nagoya Building, 18 – 19, Nishiki 2-chome, Naka-ku, Nagoya City, Aichi Prefecture, Japan ("**TFS**"); and
- (2) **TOYOTA MOTOR FINANCE (NETHERLANDS) B.V.**, a Dutch corporation having its principal office at Atrium, Strawinskylaan 3105, 1077 ZX Amsterdam, The Netherlands ("**TMF(NL)**").

WHEREBY it is agreed as follows:

1. TFS will, directly or indirectly, own all of the outstanding shares of the capital stock of TMF(NL) and will not directly or indirectly pledge or in any way encumber or otherwise dispose of any such shares of stock so long as TMF(NL) has outstanding guarantee or credit support obligations (hereafter "**Obligations**"), unless required to dispose of any or all such shares of stock pursuant to a court decree or order of any governmental authority which, in the opinion of counsel to TFS, may not be successfully challenged.

2. TFS will cause TMF(NL) and TMF(NL)'s subsidiaries, if any, to have a consolidated tangible net worth, as determined in accordance with generally accepted accounting principles in The Netherlands and as shown on TMF(NL)'s most recent audited annual consolidated balance sheet, of at least EUR 100,000 so long as Obligations are outstanding. Tangible net worth means the aggregate amount of issued capital, capital surplus and retained earnings less any intangible assets.
3. If TMF(NL) at any time determines that it will run short of cash or other liquid assets to meet its payment obligations on any Obligations then or subsequently to mature and that it shall have no unused commitments available under its credit facilities with lenders other than TFS, then TMF(NL) will promptly notify TFS of the shortfall and TFS will make available to TMF(NL), before the due date of such Obligations, funds sufficient to enable it to pay such payment obligations in full as they fall due. TMF(NL) will use such funds made available to it by TFS solely for the payment of such payment obligations when they fall due.
4. This Agreement is not, and nothing herein contained and nothing done by TFS pursuant hereto shall be deemed to constitute a guarantee, direct or indirect, by TFS of any Obligations.
5. This Agreement may be modified or amended only by the written agreement of TFS and TMF(NL) unless any holder of Obligations has made a claim against TFS pursuant to clause 7, in which case any modification or amendment shall be subject to the consent of such a holder. No such modification or amendment shall have any adverse effect upon any holder of any Obligations outstanding at the time of such modification or amendment. Either TFS or TMF(NL) will provide written notice to the other, with a copy to each statistical rating agency that, upon the request of TMF(NL) or TFS, has issued a rating in respect of TMF(NL) or any Obligations (hereafter a "**Rating Agency**"), 30 days prior to such proposed modification or amendment.
6. Either TFS or TMF(NL) may terminate this Agreement upon 30 days' written notice to the other, with a copy to each Rating Agency, subject to the limitation that termination will not take effect until or unless: (i) all Obligations issued on or prior to the date of such termination notice have been repaid or (ii) each Rating Agency has confirmed to TMF(NL) that the debt ratings of all such Obligations will be unaffected by such termination.
7. This Agreement is executed for the benefit of the holders of Obligations and such holders may rely on TFS's observance of the provisions of this Agreement.
8. TFS and TMF(NL) hereby agree that the holders of Obligations shall have the right to claim directly against TFS to perform any of its obligations under this Agreement. Such claim shall be made in writing with a declaration to the effect that such a holder will have recourse to the rights given under this Agreement. If TFS receives such a claim from any holder of Obligations, TFS shall indemnify, without any further action or formality, such a holder against any loss or damage arising out of or as a result of the failure to perform any of its obligations under this Agreement. The holder of Obligations who made the claim may enforce such indemnity directly against TFS. In relation to any Obligations in respect of which a trustee has been appointed to act for the holders of such Obligations, such trustee may make the above mentioned claim in favour of the holders of Obligations directly against TFS and, where appropriate, it may enforce the indemnity against TFS in favour of such holders. Provided that, if the trustee, having become bound to proceed directly against TFS, fails to do so within a reasonable period thereafter to protect the interests of the holders of such Obligations, and such failure shall be continuing, the holders of such Obligations may take actions available under this clause.
9. The Agreement shall be governed by, and construed in accordance with, the laws of Japan. TFS and TMF(NL) hereby irrevocably submit to the jurisdiction of the Tokyo District Court over any action or proceeding arising out of this Agreement.

Toyota had net revenues of ¥18.6 trillion and net income of ¥1.171 trillion in fiscal 2005. Toyota’s business segments are automotive operations, financial services operations and all other operations. The following table, which has been extracted without material change from the audited financial statements prepared in accordance with US generally accepted accounting principles (“**US GAAP**”) sets forth Toyota’s net revenues from external customers in each of its business segments for each of the past three fiscal years.

Related to Toyota’s automotive operations is its development of intelligent transport systems. Intelligent transport systems are a variety of information technology-based systems encompassing car multimedia systems, on-board intelligent systems, advanced transportation systems and transportation infrastructure and logistics systems. These systems combine automotive, information and telecommunications technologies. An important element of Toyota’s work in intelligent transport systems is its research collaboration with telecommunication and information services providers. Toyota currently holds an 11.7% of ownership interest in KDDI Corporation, a full service telecommunications provider in Japan. Toyota’s other operations business segment includes the design and manufacture of prefabricated housing and information technology related businesses, including certain intelligent transport systems and an e-commerce marketplace called Gazoo.com. Toyota sells its vehicles in approximately 170 countries and regions. Toyota’s primary markets for its automobiles are Japan, North America and Europe. The following table, prepared in accordance with US GAAP sets forth Toyota’s net revenues from external customers in each of its geographical markets for each of the past three fiscal years.

Vehicle Models

Toyota's product line includes subcompact and compact cars, mini-vehicles, hybrid, mid-size, luxury, sports and specialty cars, recreational and sport-utility vehicles, pickup trucks, minivans and trucks.

Subcompact and Compact

Toyota's subcompact and compact cars include the four-door Corolla sedan, which is one of Toyota's best selling models. The Yaris, marketed as the Vitz in Japan, is a subcompact car designed to include features that are particularly attractive to European consumers, such as better car performance and comfort as compared to other compact cars available on the market, with small car fuel economy and low emissions. The Vitz is currently available in Japan as a hatchback in five-door models and underwent a model change in February 2005. In early 2002, Toyota introduced a remodelled Corolla to the European market and the Corolla and the Matrix to North America. Toyota also introduced the i and the WiLL Cypha compact cars to the Japanese market in May 2002 and October 2002, respectively. Mini-vehicles are manufactured and sold by Daihatsu. Daihatsu manufactures mini-vehicles, passenger vehicles, commercial vehicles and auto parts. Mini-vehicles are cars, vans or trucks with engine displacements of 660 cubic centimetres or less. Toyota also sells under its name certain automobiles (excluding mini-vehicles) manufactured by Daihatsu. Daihatsu sold approximately 580,000 mini-vehicles and 120,000 automobiles during fiscal 2005. Daihatsu's largest market is Japan, which accounted for approximately 78% of Daihatsu's unit sales during fiscal 2005.

Hybrid

The Prius is the world's first mass-produced hybrid car. It runs on an optimal combination of gasoline and electric power. This system allows it to travel twice as far as conventional vehicles of comparable size and performance on the same amount of gasoline. In addition, the hybrid design of the Prius results in the output of 75% less pollution than the maximum amount allowed by Japanese environmental regulations. Toyota views the Prius as the cornerstone of its emphasis on designing and producing environmentally friendly automobiles. In 2003, Toyota introduced in Japan, the United States, Europe and other markets, a fully remodelled Prius, which combines decreased environmental impact by higher fuel efficiency and ultra-low emissions with increased power and performance. Toyota introduced hybrid versions of the RX400h, a Lexus brand sports-utility vehicle (marketed in Japan as the Harrier), in North America, Europe and Japan, and the Highlander sport-utility vehicle (marketed in Japan as the Kluger V and L) in North America and Japan in March 2005. Toyota plans to introduce the Prius in China in the second half of 2005 and the hybrid version of the Camry in North America in 2006. Leases for the hybrid vehicle began on 1st July, 2005. Toyota aims to continue its efforts to offer a diverse lineup of hybrid vehicles, enhance engine power while improving fuel efficiency, and to otherwise work towards increasing the sales of hybrid vehicles.

Minivans

Toyota offers several basic models for the global minivan market. Its largest minivan, the Alphard, was released in May 2002. Toyota's other minivan models include the Sienna, which underwent a model change in March 2003 and is sold in North America; the Previa, which is sold in Japan as the Estima; the European market's Avensis Verso, which was remodelled in 2001 and is sold in Japan as the Ipsum; the Hiace and Regius Ace, both remodelled in August 2004; the Noah and the Voxy, both released in Japan in November 2001; the Wish, which was released in Japan in January 2003; the Sienta, which was released in Japan in September 2003; and the Isis, which was released in Japan in September 2004. In May 2004, Toyota introduced to the European market the remodelled Corolla Verso, which is sold in Japan as the Funcargo.

Trucks and Buses

Toyota's product line-up includes trucks (including vans) up to a load capacity of four tons and micro-buses, which are sold in Japan and in the overseas markets. Trucks and buses are also manufactured and sold by Hino, a subsidiary of Toyota. Hino's product line-up includes large trucks with a load capacity of over 10 tons, medium trucks with a load capacity between four and eight tons, and small trucks with a load capacity of between two and four tons. Hino held the

largest share of the Japanese medium truck market in fiscal 2005, primarily due to the success of its Ranger model. Hino's bus line-up includes large to medium buses used primarily as tour buses and public buses, small buses and micro-buses. Toyota and Hino maintain a large share of the small bus (including micro-buses) segment in Japan.

Toyota's primary markets are Japan, North America and Europe. The following table sets forth Toyota's consolidated vehicle unit sales by geographic market for the periods shown. The vehicle unit sales below reflect vehicles sales made by Toyota to unconsolidated entities (and recognised as sales under Toyota's revenue recognition policy), including sales to unconsolidated distributors and dealers. Vehicles sold by Daihatsu are included in vehicle unit sales numbers set forth below. Vehicles sold by Hino are included in vehicle unit sales numbers set forth below beginning in October 2001. North America sales information includes sales in Mexico, Puerto Rico and Hawaii.

Japan

The automobile market in Japan has become saturated and its growth has become stagnant over the past several years. Despite this trend, Toyota believes that Japan continues to be the most important market for Toyota's automotive products. In Japan, the automotive industry is highly competitive. The Japanese automotive industry includes five major domestic producers, five specialised domestic producers and a growing volume of imports from major United States and European manufacturers. The prolonged economic slump in the Japanese economy has also shifted consumer preference towards more affordable automobiles such as compact and subcompact vehicles and towards utility vehicles such as mini-vans. For more than 40 years, Toyota has been the largest automobile manufacturer in Japan. In each year since fiscal 1999, Toyota, excluding Daihatsu and Hino, has achieved a market share (excluding mini-vehicles) of over 40%, reflecting in part the success of the Vitz subcompact car and the introduction of new model mini-vans and sedans. Toyota's (excluding Daihatsu and Hino) share of the domestic market excluding mini-vehicles was 44.5% in fiscal 2005. Toyota's (including Daihatsu and Hino) share of the market including mini-vehicles was 41.1% in fiscal 2005. Toyota is taking steps to further increase its market leadership in Japan by actively introducing products in key market segments, including the introduction of the Lexus brand vehicles.

North America

Toyota's consolidated vehicle unit sales in North America was 2,271,139 in fiscal 2005. The United States is the largest portion of the North American market for Toyota, representing approximately 90% of its total retail unit sales in the region. In 2004, Toyota's retail unit sales in North America showed continued strength, achieving for two consecutive years unit sales in excess of two million vehicles, reflecting the introduction of new products and the market success of its light trucks. Toyota's market share in the United States was 12.2% in 2004, its largest market share ever. Competition in North America, particularly the United States, is intense. Toyota's principal competitors in North America are General Motors, Ford and DaimlerChrysler, with other manufacturers providing competition within specific market segments.

Europe

European sales of Toyota vehicles in fiscal 2005 reached an all-time high for the eighth year in a row, with total sales of 978,963 vehicles on a consolidated basis, up 9.0% from fiscal 2004. In 2004, Toyota had a market share in Europe of 4.6% and achieved annual retail unit sales of approximately 962,000 vehicles. European sales growth is largely attributable to the success of the Yaris, which was launched in April 1999 and is marketed as the Vitz in Japan, the RAV4, the fully remodelled Avensis in 2003 and the remodelled Corolla Verso in the first half of 2004. Toyota's principal European markets are the United Kingdom, Italy and Germany. Toyota's principal competitors in Europe are Renault, Volkswagen, Opel, Ford and Peugeot.

East and Southeast Asia

The market in the East and Southeast Asia region (excluding China and Hong Kong) was 3.46 million units in 2004, an increase of approximately 4.6% from 3.31 million units in 2003. The market in the East and Southeast Asia region (including China and Hong Kong) grew to 8.72 million units in 2004, an increase of approximately 10% from 7.89 million units in 2003. Toyota believes that the long-term potential of the East and Southeast Asian market is good and remains committed to its operations in the region. The following table sets forth Toyota's sales figures in East and Southeast Asia for the periods shown. This information excludes unit sales by Daihatsu and Hino.

Toyota Sales (in thousands of vehicles) (Calendar year)	Asia (excluding China and Hong Kong)	China and Hong Kong
2002	393	62
2003	513	107
2004	644	127

While competition in East and Southeast Asia is increasing, Toyota believes that its early entry into the market gives it a competitive advantage. Toyota plans to further increase its competitiveness as it faces increased competition in the region by improving product lines offered in the region and increasing local procurement to decrease its exposure to foreign currency exchange fluctuations. Toyota's market share in Asia (excluding China and Hong Kong) was 11.5% in 2002, 15.5% in 2003 and 18.6% in 2004. East and Southeast Asia (excluding Hong Kong and China) accounted for 13.0% of Toyota's overseas unit sales in 2004 (not including unit sales by Daihatsu and Hino outside Japan), an increase of 1.2% from 11.8% in 2003.

Financial Services

Toyota's revenues from its financial services operations were ¥781 billion in fiscal 2005, ¥737 billion in fiscal 2004 and ¥725 billion in fiscal 2003. The market for automobile financing has grown as more consumers are financing their purchases, particularly in North America and Europe. TFS is Toyota's wholly owned subsidiary established in July 2000 which oversees the management of Toyota's finance companies worldwide and the expansion into new automobile related product areas. Toyota plans to expand its network of financial services, which currently covers 30 countries and regions, in accordance with its strategy of further developing its auto-related financing businesses in significant markets. Toyota Motor Credit Corporation is Toyota's principal financial services subsidiary in the United States. Toyota also provides financial services in 29 other countries and regions through various financial services subsidiaries, including:

- Toyota Finance Corporation in Japan,
- Toyota Credit Canada Inc. in Canada,
- Toyota Finance Australia Ltd. in Australia,
- Toyota Kreditbank GmbH in Germany, and
- Toyota Financial Services (UK) PLC in the United Kingdom.

Other Operations

In addition to its automotive operations and financial services operations, Toyota is involved in a number of other non-automotive business activities. Net sales for these activities totaled ¥1,030 billion in fiscal 2005, ¥896 billion in fiscal 2004, and ¥795 billion in fiscal 2003. The sales to external customers of other operations represented 3.7% of Toyota's net revenues for fiscal 2005. The most significant of Toyota's other operations include pre-fabricated housing, its information technology related businesses, including certain intelligent transport systems and an e-commerce marketplace called Gazoo.com. Substantially all of Toyota's revenues from other operations were derived in Japan.

Legal Proceedings

In February 2003, Toyota, General Motors Corporation, Ford, DaimlerChrysler, Honda, Nissan and BMW and their U.S. and Canadian sales and marketing subsidiaries, the National Automobile Dealers Association and the Canadian Automobile Dealers Association were named as defendants in purported nationwide class actions on behalf of all purchasers of new motor vehicles in the United States since 1st January, 2001. Twenty-six similar actions were filed in federal district courts in California, Illinois, New York, Massachusetts, Florida, New Jersey and Pennsylvania. Additionally, 56 parallel class actions were filed in state courts in California, Minnesota, New Mexico, New York, Tennessee, Wisconsin, Arizona, Florida, Iowa, New Jersey and Nebraska on behalf of the same purchasers in these states. As of 1st April, 2005, actions filed in federal district courts were consolidated in Maine and actions filed in the state courts of California and New Jersey were also consolidated, respectively. The nearly identical complaints allege that the defendants violated the Sherman Antitrust Act by conspiring among themselves and with their dealers to prevent the sale to United States citizens of vehicles produced for the Canadian market. The complaints allege that new vehicle prices in Canada are 10% to 30% lower than those in the United States and that preventing the sale of these vehicles to United States citizens resulted in United States consumers paying excessive prices for the same type of vehicles. The complaints seek permanent injunctions against the alleged antitrust violations and treble damages in an unspecified amount. In March 2004, the federal district court of Maine (i) dismissed claims against certain Canadian sales and marketing subsidiaries, including Toyota Canada, Inc., for lack of personal jurisdiction but denied or deferred to dismiss claims against certain other Canadian companies, and (ii) dismissed the claim for damages based on the Sherman Antitrust Act but did not bar the plaintiffs from seeking injunctive relief against the alleged antitrust violations. The plaintiffs have submitted an amended complaint adding a claim for damages based on state antitrust laws and Toyota is now responding to the plaintiff's discovery requests. Toyota believes that its actions have been lawful and intends to vigorously defend these cases.

Toyota has various other legal actions, governmental proceedings and other claims pending against it, including product liability claims in the United States. Although the claimants in some of these actions seek potentially substantial damages, Toyota cannot currently determine its potential liability or the damages, if any, with respect to these claims. However, based upon information currently available to Toyota, Toyota believes that its losses from these matters, if any, would not have a material adverse effect on Toyota's financial position, operating results or cash flows.

GLOBAL CERTIFICATES

Notes in Registered Form (“**Registered Notes**”) and listed on the Bond Exchange of South Africa, a licensed financial exchange in terms of the Securities Services Act, 2004 (“**BESA**”) will initially be issued in the form of a single Global Certificate (the “**Global Certificate**”) which will be lodged and immobilised in STRATE Limited, a company registered as a central securities depository in terms of the Securities Services Act, 2004, or its nominee (the “**Central Depository**”), which forms part of the settlement system of BESA. The Central Depository will be the sole Noteholder in respect of the Global Certificate.

The Central Depository holds Registered Notes subject to the Securities Services Act, 2004 and the Rules of the Central Depository. The Rules of the Central Depository as at the date of this Programme Memorandum are as published by the Registrar of Securities in Government Gazette No. 27758 of 8 July 2005.

While the Registered Notes are held in the Central Depository under the Global Certificate, the Central Depository will be reflected as the Noteholder in the register maintained by the Transfer Secretary (the “**Register**”). Accordingly, in terms of the Terms and Conditions of the Notes, all amounts to be paid and all rights to be exercised in respect of the Registered Notes held in the Central Depository, will be paid to and may be exercised only by the Central Depository, for the holders of beneficial interests in the Registered Notes held by the Central Depository under the Global Certificate (“**Beneficial Interests**”).

The Central Depository maintains accounts only for the members of the Central Depository (“**Participants**”). The Participants are also approved settlement agents of BESA (“**BESA Settlement Agents**”). As at the date of this Programme Memorandum, the BESA Settlement Agents are Absa Bank Limited, FirstRand Bank Limited, Nedbank Limited, The Standard Bank of South Africa Limited and the South African Reserve Bank. The Participants are in turn required to maintain securities accounts for their clients. The clients of Participants may include the holders of Beneficial Interests in the Registered Notes or their custodians. The clients of Participants, as the holders of the Beneficial Interests in the Registered Notes or as custodians for such holders, may exercise their rights in respect of the Registered Notes held by them in the Central Depository only through the Participants. Euroclear Bank S.A./N.V. as operator of the Euroclear System (“**Euroclear**”) and Clearstream Banking, société anonyme, (Clearstream Luxembourg) (“**Clearstream**”) may hold Registered Notes through their Participant.

Transfers of Beneficial Interests in Registered Notes in the Central Depository to and from clients of Participants, who are also BESA Settlement Agents, occur by electronic book entry in the securities accounts of the clients with the Participants. Transfers among Participants of Registered Notes held in the Central Depository occur through electronic book entry in the Participant’s central security accounts with the Central Depository.

Transfers between Participants in the Central Depository will be effected in the ordinary way in accordance with the applicable rules and operating procedures of the Central Depository, the Participants and BESA, as the case may be (the “**Applicable Procedures**”).

A Beneficial Interest will be exchangeable for an Individual Certificate if: (i) a written request for Registered Notes in definitive form is submitted by the holder of the Beneficial Interest to the relevant Participant not later than 10 days or, in the event that the Books Closed Period is less than 10 days, such number of days, prior to the requested date of such exchange; (ii) the Applicable Procedures for obtaining such a Certificate from the Transfer Secretary are followed and (iii) an equivalent number of Registered Notes are transferred in accordance with the provisions of Condition 15 from the Central Depository or its nominee to the holder of such Beneficial Interest.

INDIVIDUAL CERTIFICATES

All Notes not represented by a Global Certificate, including Registered Notes which are unlisted, Bearer Notes and Order Notes (each as defined below), shall be issued in definitive form (“**Individual Certificates**”). Notes issued in bearer form (“**Bearer Notes**”) or order form (“**Order Notes**”), and which are interest bearing, have interest coupons (“**Coupons**”) and, if indicated in the Applicable Pricing Supplement, talons attached on issue. Notes repayable in instalments have receipts (“**Receipts**”) for the payment of the instalments of principal (other than the final instalment) attached on issue.

Title to Order Notes and/or any Receipts, Coupons and Talons attached on issue to the Certificate in respect of such Order Note, are transferable by way of endorsement and delivery of such Certificate, Receipt, Coupon or Talon (as the case may be).

Payments of interest and principal in respect of Individual Certificates will be made to Noteholders in accordance with Condition 9 of the Terms and Conditions.

- (i) in relation to any Notes having a maturity of less than one year: (i) it is a person whose ordinary activities involve it in acquiring, holding, managing or disposing of investments (as principal or agent) for the purposes of its business and (ii) it has not offered or sold and will not offer or sell any Notes other than to persons whose ordinary activities involve them in acquiring, holding, managing or disposing of investments (as principal or as agent) for the purposes of their businesses or who it is reasonable to expect will acquire, hold, manage or dispose of investments (as principal or agent) for the purposes of their businesses where the issue of the Notes would otherwise constitute a contravention of section 19 of the Financial Services and Markets Act 2001 (the “**FSMA**”) by the Issuer;
- (ii) it has only communicated or caused to be communicated and will only communicate or cause to be communicated an invitation or inducement to engage in investment activity (within the meaning of section 21 of the FSMA) received by it in connection with the issue or sale of any Notes in circumstances in which section 21(1) of the FSMA does not apply to the Issuer; and

- (iii) it has complied and will comply with all applicable provisions of the FSMA with respect to anything done by it in relation to the Notes in, from or otherwise involving the United Kingdom.

European Economic Area

In relation to each Member State of the European Economic Area which has implemented the Prospectus Directive (each, a “**Relevant Member State**”), each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that with effect from and including the date on which the Prospectus Directive is implemented in that Relevant Member State (the “**Relevant Implementation Date**”) it has not made and will not make an offer of Notes to the public in that Relevant Member State, except that it may, with effect from and including the Relevant Implementation Date, make an offer of Notes to the public in that Relevant Member State:

- (i) in (or in Germany, where the offer starts within) the period beginning on the date of publication of a prospectus in relation to those Notes which has been approved by the competent authority in that Relevant Member State or, where appropriate, approved in another Relevant Member State and notified to the competent authority in that Relevant Member State, all in accordance with the Prospectus Directive and ending on the date which is 12 months after the date of such publication;
- (ii) at any time to legal entities which are authorised or regulated to operate in the financial markets or, if not so authorised or regulated, whose corporate purpose is solely to invest in securities;
- (iii) at any time to any legal entity which has two or more of (1) an average of at least 250 employees during the last financial year; (2) a total balance sheet of more than €43,000,000 and (3) an annual net turnover of more than €50,000,000, as shown in its last annual or consolidated accounts; or
- (iv) at any time in any other circumstances which do not require the publication by the Issuer of a prospectus pursuant to Article 3 of the Prospectus Directive.

For the purposes of this provision, the expression an “**offer of Notes to the public**” in relation to any Notes in any Relevant Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the Notes to be offered so as to enable an investor to decide to purchase or subscribe the Notes, as the same may be varied in that Member State by any measure implementing the Prospectus Directive in that Member State and the expression “**Prospectus Directive**” means Directive 2003/71/EC and includes any relevant implementing measure in each Relevant Member State.

As used herein “**Zero Coupon Notes**” are Notes that are in bearer form and that constitute a claim for a fixed sum against the Issuer and on which interest does not become due during their tenor or on which no interest is due whatsoever.

General

The Dealers have agreed and each additional Dealer appointed under the Programme will be required to agree that it will (to the best of its knowledge and belief) comply with all applicable securities laws and regulations in force in any jurisdiction in which it subscribes or procures the subscription of Notes, offers or sells Notes or possesses or distributes this Programme Memorandum and will obtain any consent, approval or permission required by it for the purchase, offer or sale by it of Notes under the laws and regulations in force in any jurisdiction to which it is subject or in which it makes such purchases, offers or sales and neither the Issuer nor any other Dealer shall have any responsibility therefor.

Neither the Issuer nor the Dealers represent that Notes may at any time lawfully be sold in compliance with any applicable registration or other requirements in any jurisdiction, or pursuant to any exemption available thereunder or assumes any responsibility for facilitating such sale.

With regard to each Tranche, the relevant Dealer will be required to comply with such other or additional restrictions as the Issuer and the relevant Dealer shall agree and as shall be set out in the Applicable Pricing Supplement.

South African Taxation

The information contained below is intended to be a general guide to the relevant tax laws of the Republic of South Africa as at the date of this Programme Memorandum and is not intended as comprehensive advice and does not purport to describe all of the considerations that may be relevant to a prospective purchaser of Notes. Prospective purchasers of Notes should consult their own professional advisers in regard to the purchase of Notes and the tax implications thereof. Accordingly, the Issuer makes no representation and gives no warranty or undertaking, express or implied, and accepts no responsibility for the accuracy or completeness of the information contained in this paragraph. The information contained below sets out guidelines on the current position regarding South African taxation for taxpayers who hold the Notes as capital assets. Traders in these Notes should consult their own advisers.

Words used in this section shall have the same meanings as defined in the Terms and Conditions, unless they are defined in this section or this is clearly inappropriate from the context.

Stamp Duty and Uncertificated Securities Tax on Creation and Transfer of Notes

No stamp duty or uncertificated securities tax is payable on the issue or transfer of Notes qualifying as instruments as contemplated in section 24J of the Income Tax Act, 1962, as amended (the “Act”) under current law.

General

In general interest received on the Notes will be subject to income tax in the Republic of South Africa (the “Republic”). Certain entities may be exempt from the tax. Purchasers are advised to consult their own professional advisers as to whether the interest will be exempt or not. The amount of interest to be included in income, the position of non-residents and the capital gains tax consequences are examined below.

Interest for Purposes of Section 24J of the Income Tax Act

In terms of section 24J of the Act, any discount or premium to the nominal value at which a Note is issued or acquired is treated as part of the interest income on the Note by the Revenue authorities. The Noteholder will be deemed to have accrued such interest income on a day-to-day basis until the Noteholder disposes of the Note or until maturity. This day-to-day basis is determined by calculating the yield to maturity and applying it to the capital involved for the relevant tax period. In practice the premium or discount is treated as interest for the purposes of the exemption under section 10(1)(h) of the Act.

Noteholders who are not Residents of the Common Monetary Area

In terms of section 10(1)(h) of the Act, interest received by or accruing to the Noteholder shall be exempt from tax if such interest is received by or accrued to a person who is not a resident, unless that person:

- (a) is a natural person who was physically present in the Republic for a period exceeding 183 days in aggregate during the year of assessment; or
- (b) at any time during that year of assessment carried on business through a permanent establishment in the Republic.

Capital Gains Tax in terms of the Eighth Schedule to the Act does not apply to assets such as Notes disposed of by a person who is not a resident unless the Note disposed of constitutes the asset of a permanent establishment of that person through which a trade is carried on in South Africa during the relevant year of assessment.

Capital Gains Tax

Capital gains and losses of residents on the disposal of Notes are subject to Capital Gains Tax. Any discount or premium on acquisition which has already been treated as interest will have been taxed or allowed as a deduction for income tax and it is anticipated that it will therefore not be taken into account when determining any capital gain or loss. In terms of section 24J(4A) of the Act a loss on disposal will, to the extent that it has previously been included in taxable income (as interest) be allowed as a deduction from the taxable income of the holder when it is incurred and accordingly will not give rise to a capital loss.

Non-South African Resident Noteholders and Emigrants from the Common Monetary Area

The information below is not intended as advice and it does not purport to describe all of the considerations that may be relevant to a prospective purchaser of Notes. Prospective purchasers of Notes that are non-South African residents or emigrants from the Common Monetary Area are urged to seek further professional advice in regard to the purchase of Notes under the Programme, and, to the extent necessary, obtain Exchange Control Approval for the subscription or purchase of Notes.

Blocked Rand may be used for the purchase of Notes. Any amounts payable by the Issuer in respect of the Notes purchased with Blocked Rand may not, in terms of the Exchange Control Regulations, 1961, be remitted out of South Africa or paid into any non-South African bank account. For the purposes of this clause, Blocked Rand is defined as funds which may not be remitted out of South Africa or paid into a non-South African resident's bank account.

Emigrants from the Common Monetary Area
